

## **Policy for Establishing UWOFA Committees**

1. As soon as possible after July 1, the President will propose a list of committee chairs to the Board for discussion. The Board can add or delete names from that list before approving it.
2. Sometime in late August or in September, the President will circulate a message to both Bargaining Units asking for volunteers to serve on UWOFA committees and – for each committee – provide the chair’s contact information.
3. Each Committee chair will provide the Board with a list of the people who have asked to join that committee, along with the chair’s recommendation for the committee’s composition.
4. The Board must approve the composition of all UWOFA committees by October 1.
