### IMPORTANT NOTICE - PLEASE READ CAREFULLY

Travel insurance is designed to cover losses arising from sudden and unforeseeable circumstances occurring while *you* are temporarily travelling outside *your* province or territory of residence. It is important that *you* read and understand *your* plan before *you* travel. In the event of any discrepancy between the provisions of a booklet or other document *you* hold and the provisions of the *policy*, the provisions of the *policy* shall govern. The *insurer* has contracted *Global Excel Management Inc.* (called "Global Excel") to provide medical assistance and claims services under the *policy*.

**IN THE EVENT OF AN *EMERGENCY*,  
*YOU MUST CALL GLOBAL EXCEL IMMEDIATELY:***

The emergency telephone numbers are listed on the back of  
the *medical assistance card* provided.

*Global Excel* must be contacted before *you* seek medical treatment. If *your* condition renders *you* unable to do so, then someone else must contact *Global Excel* immediately for *you*. Do not assume that someone will contact *Global Excel* on *your* behalf. It remains *your* responsibility to ensure that *Global Excel* has been contacted prior to receiving medical treatment or as soon as reasonably possible.

If *you* incur any expenses without prior approval by *Global Excel*, such expenses will be covered, except where the *policy* expressly requires the prior approval or authorization of *Global Excel*, on the basis of the *reasonable and customary costs* that would have been payable for such expenses by the *insurer* in accordance with the terms and conditions of the *policy*. Such expenses may be higher than this amount, therefore *you* will be responsible for paying any difference between the amount *you* incur and the *reasonable and customary costs* reimbursed by the *insurer*.

1. **Notice to *Global Excel*:** In the event of a *sickness* and/or *injury* likely to give rise to an *emergency*, *you* must give immediate notice to *Global Excel*. Failure to do so may limit the benefits payable under the *policy*. If *you* incur any expenses without prior approval by *Global Excel*, such expenses will be covered, except where the *policy* expressly requires the prior approval or authorization of *Global Excel*, on the basis of the *reasonable and customary costs* that would have been payable for such expenses by the *insurer* in accordance with the terms and conditions of the *policy*. Such expenses may be higher than this amount, therefore *you* will be responsible for paying any difference between the amount *you* incur and the *reasonable and customary costs* reimbursed by the *insurer*.
2. **Transfer or Medical Repatriation:** During an *emergency* (whether prior to admission or during a covered hospitalization), the *insurer* reserves the right to:
  - a) transfer *you* to one of *Global Excel*'s preferred health care providers, and/or
  - b) return *you* to *your* province or territory of residencefor the medical treatment of *your sickness* and/or *injury* where this poses no danger to *your* life or health. If *you* choose to decline the transfer or return when declared medically stable by the Medical Director of *Global Excel*, the *insurer* will be released from any liability for expenses incurred for such *sickness* and/or *injury* after the proposed date of transfer or return. *Global Excel* will make every provision for *your* medical condition when choosing and arranging the mode of *your* transfer or return and, in the case of a transfer, when choosing the *hospital*.
3. **Limitation of Benefits:** Once *you* are deemed medically stable to return to Canada (with or without medical escort) either in the opinion of the Medical Director of *Global Excel* or by virtue of discharge from a medical facility, *your emergency* will be deemed to have ended, whereupon any further consultation, treatment, recurrence or complication related to the *emergency* will no longer be eligible for coverage under the *policy*.
4. **Misrepresentation and Non-Disclosure:** *your* entire coverage under the *policy* shall be voidable if the *insurer* determines, whether before or after loss, that *you* or the *policyholder* have concealed, misrepresented or failed to disclose any material fact or circumstance concerning the *policy* or *your* interest therein, or if *you* or the *policyholder* refuse to disclose information or to permit the use of such information, pertaining to any of the *insured persons* under the *policy*. Consequently and following a loss, no claim shall be payable by the *insurer* and *you* shall be solely responsible for all expenses relating to *your* claim, including medical repatriation costs.
5. **Subrogation:** If *you* suffer a loss covered under the *policy*, the *insurer* is granted the right to *you* to take action to enforce all *your* rights, powers, privileges, and remedies, to the extent of benefits paid under the *policy*, against any person, legal person or entity which caused such loss. Additionally, if "no fault" benefits or other collateral sources of payment of medical expenses are available to *you*, regardless of fault, the *insurer* is granted the right to make demand for, and recover, those benefits. If the *insurer* institutes an action it may do so at its

own expense, in *your* name, and *you* will attend at the place of loss to assist in the action, in addition to providing the *insurer* all information, cooperation and assistance the *insurer* may reasonably require. If *you* institute a demand or action for a covered loss, *you* shall immediately notify the *insurer* so that the *insurer* may safeguard its rights.

*You* shall take no action after a loss that will impair the rights of the *insurer* set forth in this paragraph and shall do all such things as are necessary to secure such rights.

6. **Arbitration:** Notwithstanding any clause in the *policy*, the parties hereto undertake to submit to an arbitration procedure, to the exclusion of the courts, any present or future dispute relating to a claim.

The arbitration proceedings shall be governed by the arbitration law in force in the Canadian province or territory of residence of the *participant*. The parties agree that any action will be referred to arbitration.

7. **Applicable Law:** The *policy* is governed by the law of the Canadian province or territory of residence of the *participant*. Any legal proceeding by the *insured person*, his heirs or assigns shall be brought in the courts of the Canadian province or territory of residence of the *participant*.

8. **Other Insurance:** This insurance is a second payer plan. For any loss or damage insured by, or for any claim payable under any other liability, group or individual basic or extended health insurance plan, or contracts including any private or provincial or territorial auto insurance plan providing *hospital*, medical, or therapeutic coverage, or any other insurance in force concurrently herewith, amounts payable hereunder are limited to those covered benefits incurred outside the province of residence that are in excess of the amounts for which an *insured person* is insured under such other coverage. All coordination with employee related plans follows Canadian Life and Health Insurance Association Inc. guidelines. In no case will the *insurer* seek to recover against employment related plans if the lifetime maximum for all in-country and out-of-country benefits is \$50,000 or less. If the lifetime maximum for all in-country and out-of-country benefits is over \$50,000, the *insurer* will coordinate benefits only above this amount.

9. **Co-ordination and Order of Benefits:** If a person has coverage under another plan that does not provide for co-ordination of benefits, that plan will be considered primary carrier and will be responsible for making the initial payment. If the other plan does provide for co-ordination of benefits, the order of benefit will be as follows:

*Participant and dependent spouse*

The plan insuring the *participant* or the *participant's dependent spouse* as an employee/ member pays benefits before the plan insuring the *participant* or the *participant's spouse* as a *dependent*.

*Dependent Child*

If the dependent child is insured as a *dependent* under the *participant's* and the *spouse's* plans, benefits will first be payable under the plan of the parent whose birthday comes first in the calendar year. The balance of eligible expenses can then be submitted to the plan of the other parent.

If both parents have the same birthday (month/day), the claims for children must be submitted to the plan in the alphabetical order of the parents' first names.

When a person is insured under other group or individual policies or government plans, the benefits payable from all sources cannot exceed one hundred percent of expenses incurred.

10. **Rights of Examination:** To be entitled to payment of benefits provided under the *policy*, the *participant*, on his own behalf and on behalf of his *dependents* hereby authorizes any

physician, health professional, hospital, institution and any other organization to forward to the *insurer* or its representatives, all information, reports or documents that they may require.

The *participant* hereby authorizes the *insurer* to communicate directly with any physician, health professional, hospital, institution or other organization to obtain any information required for the assessment of claims and hereby relieves the persons concerned of all legal responsibility which could arise from the disclosure of such information.

In the event of death, the *insurer* will require that a death certificate be filed with the claim. Furthermore, the *insurer* has the right to request an autopsy and review any autopsy report, if not prohibited by law.

11. **Limitation of Actions:** An action or proceeding against the *insurer* for the recovery of a claim under the *policy* shall not be commenced more than one (1) year (two (2) years in the Northwest Territories, three (3) years in the province of Quebec) after the date the insurance money became payable or would have become payable if it had been a valid claim.
12. **Availability of Care:** Neither the *insurer* nor *Global Excel* shall be responsible for the availability or quality of any medical treatment (including the results thereof) or transportation at the vacation destination, or *your* failure to obtain medical treatment during the *coverage period*.

14. **Assignment:** Benefits under the *policy* may not be assigned
15. **When Money Payable:** All money payable under the *policy* shall be paid by the *insurer* within sixty (60) days after it has received due proof of claim.
16. **Continuance of Individual Coverage During Absence from Work:** If a *participant* is absent from work due to disability, temporary lay-off, authorized leave of absence, strike or any other work stoppage, the insurance will be continued as long as the *participant* remains covered under the *policyholder's* basic group extended health care plan.
17. **Examination of the *policy*:** The *policy*, including any endorsements, will be kept at the office of the *policyholder*. *You* may consult the *policy* during the regular business hours of the *policyholder*.

## SECTION V — AUTOMATIC EXTENSION OF COVERAGE PERIOD

The *coverage period* per *trip* will automatically be extended up to 72 hours, provided the *participant* has not reached the *termination age*, if:

- a) *you* are hospitalized due to a medical *emergency* on the last day of coverage. *Your* coverage will remain in force for as long as *you* are hospitalized and the 72-hour extension commences upon release from *hospital*;
