To the Members of The University of Western Ontario Faculty Association:

### Report on the Audit of the Financial Statements Opinion

We have audited the financial statements of The University of Western Ontario Faculty Association (the "Association"), which comprise the statement of financial position as at October 31, 2021, and the statement of operations, changes in net assets, and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Association as at October 31, 2021, and the results of its operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

#### **Basis for Opinion**

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Corporation in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Corporation's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Corporation or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Corporation's financial reporting process.

#### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or
  error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is
  sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material
  misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve
  collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that
  are appropriate in the circumstances, but not for the purpose of expressing an opinion on the
  effectiveness of the Corporation's internal control.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Corporation's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Corporation to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the
  disclosures, and whether the financial statements represent the underlying transactions and events in a
  manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Report on Other Legal and Regulatory Requirements

As required by the Corporations Act of Canada, we report that, in our opinion, the accounting principles in Canadian accounting standards for not-for-profit organizations have been applied on a basis consistent with that of the preceding period.

#### Purpose of the organization

The University of Western Ontario Faculty Association ("the Association") is the certified bargaining agent for faculty teaching at least a half University degree credit course in each of two of the last three fiscal years and for librarians and archivists at The University of Western Ontario ("the University"). As a non-profit organization, the Association is not subject to income taxes on any earned income.

#### 2. Significant accounting policies

These financial statements are prepared in accordance with Canadian accounting standards for not-for-profit organizations and include the following significant accounting policies:

#### Fund accounting

The Association has the following funds:

#### (i) Operating Fund - Unrestricted

The operating fund accounts for the day to day operating activities of the Association.

#### (ii) Grievance & Collective Bargaining Fund - Internally Restricted

This amount is internally restricted by the Membership of the Association for contingencies, for the payment of expenses associated with legal advice and arbitration arising from grievances and rights cases and/or expenses associated with collective bargaining in excess of budget and as a means of providing funds in the event of a strike.

#### Capital assets

Capital assets are recorded at cost. The company provides for amortization using the following methods at rates designed to amortize the cost of the capital assets over their useful lives. The annual amortization rates and methods are as follows:

Furniture and fixtures	Declining balance	20%
Computer equipment	Straight-line	3 years
Computer software	Straight-line	3 years
Website development costs	Straight-line	3 years

Capital assets are amortized using the half-year rule in the year of addition.

#### Revenue recognition

The Association follows the deferral method of accounting for contributions and operating revenues. All membership fee revenue is recorded as revenue in the period to which it relates. Where a portion of revenue is related to a future period, it is deferred and recognized in the subsequent period.

Interest income is recognized as revenue when earned.

#### Use of estimates

The preparation of financial statements in conformity with Canadian accounting standards for not-for-profit organizations requires directors and management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. By their nature, these estimates are subject to measurement uncertainty. These estimates are reviewed periodically, and adjustments are made to income in the year which they become known. The accounts specifically affected by estimates in these financial statements are the useful life of capital assets and employee future benefits. Actual results may vary from these estimates.

For the year ended October 31, 2021

#### Significant accounting policies (continued from previous page)

#### Employee future benefits

The Association provides medical, dental and life insurance benefits to eligible employees. This plan is managed by The University of Western Ontario. The Association accrues post retirement benefits for the eligible administrative staff, with the cost of these benefits being actuarially determined using the projected benefit method. Differences arising from plan amendments, changes in assumptions and actuarial gains and losses are recognized in income as they are incurred.

The Association sponsors pension plans for its administrative staff. The benefits provided under the plans are defined contribution.

#### Cash and cash equivalents

Included in cash is savings account investments earning interest at 0.20% - 0.45%, as well as the Associations credit union share.

#### Financial instruments

#### Measurement of financial instruments

The Association initially measures its financial assets and financial liabilities at fair value adjusted by, in the case of a financial instrument that will not be measured subsequently at fair value, the amount of transaction costs directly attributable to the instrument.

The Association subsequently measures its financial assets and financial liabilities at amortized cost, except for equity securities quoted in an active market, which are subsequently measured at fair value.

Financial assets measured at amortized cost include cash, internally restricted funds, GIC investments and interest receivable.

Financial liabilities measured at amortized cost include accounts payable and accrued liabilities.

#### Impairment

Financial assets measured at amortized cost are tested for impairment when there are indicators of possible impairment. When a significant adverse change has occurred during the period in the expected timing or amount of future cash flows from the financial asset or group of assets, a write-down is recognized in the statement of operations. The write down reflects the difference between the carrying amount and the higher of:

- a. the present value of the cash flows expected to be generated by the asset or group of assets;
- b. the amount that could be realized by selling the assets or group of assets;
- c. the net realizable value of any collateral held to secure repayment of the assets or group of assets.

When the event occurring after the impairment confirms that a reversal is necessary, the reversal is recognized in the statement of operations up to the amount of the previously recognized impairment.

For the year ended October 31, 2021

#### 3. Internally restricted funds

The Association has set aside \$100,555 (2020 - \$100,242) as an internally restricted fund. These funds are in a cash savings account and were set aside to assist Members. No criteria has been set and no decision has been made as to how the funds will be dispersed.

#### 4. Capital assets

	Cost	Accumulated amortization	Net	Net
Furniture and fixtures	49,692	40,436	9.256	11.570
Computer equipment	50,361	47,033	3,328	3,403
Computer software	28,148	27,480	668	1,114
Website development costs	116,675	77,192	39,483	1.896
	244,875	192,140	52,735	17,982

The amortization for 2021 was \$13,682 (2020 - \$14,166).

#### 5. GIC investments

The grievance and collective bargaining fund held the following investment portfolios at year end:

	2021	2020
BMO Nesbitt Burns - GICs of multiple institutions	3,043,455	2,025,009
Libro GICs	522,824	519,891
Total short term investments	3,566,279	2,544,900
BMO Nesbitt Burns - GICs of multiple institutions	1,336,000	2,679,455
Total short and long term investments	4,902,279	5,224,355

Short-term GIC investments represent amounts with maturity dates due within a year of the year-end date. Interest rates on the short-term GICs range from 0.80% to 3.25% with maturity dates between December 6, 2021 and October 24, 2022. Long-term GIC investments represent amounts with maturity dates beyond one year of the year-end date. Interest rates on the long-term GICs range from 1.15% to 2.35% with maturity dates between December 12, 2022 and December 15, 2022.

#### 6. Employee future benefits

The Association has a defined contribution pension plan for the administrative staff. During the year the Association's contributions to the pension plan were \$34,456 (2020 - \$35,852). The fair value of plan assets for the year was \$Nil (2020 - \$Nil).

The accrued benefit liability relating to the post-retirement benefits is \$290,400 (2020 - \$286,000). This liability has been recorded in the financial statements.

The most recent actuarial valuation was completed as of April 30, 2021.

2021	2020
8,500	16,800
9,400	9,600
(14,100)	(4,700)
3,800	21,700
	8,500 9,400 (14,100)

For the year ended October 31, 2021

#### Employee future benefits (continued from previous page)

The significant actuarial assumptions adopted in measuring the Association's accrued benefit obligation expense are as follows:

	2021	2020
Discount rate - post-retirement	3.40%	3.20%
Medical trend rate	5.12%	5.12%
Dental trend rate	2.75%	2.75%

#### 7. Interfund transfers

During the period, no amount was transferred from the Operating Fund to the Grievances & Collective Bargaining Fund. No amount was transferred from the Grievances & Collective Bargaining Fund to the Operating fund (2020 - \$Nil).

#### 8. Financial instruments

Unless otherwise noted it is management's opinion that the Association is not exposed to significant risks from financial instruments. There have been no changes in the Association's risk exposures from the prior year.

#### Credit risk

The financial instruments that potentially subject the Association to a significant concentration of credit risk consist primarily of cash. The Association mitigates its exposure to credit loss by placing its cash with major financial institutions.

#### Market risk

The Association is exposed to market rate risk through possible future changes in market rates for current marketable securities. The Association does not use financial instruments to reduce its risk exposure.

#### Liquidity risk

Liquidity risk is the risk that the Association will not be able to meet its obligations as they become due. The Association manages this risk by establishing budgets and funding plans and by levying sufficient membership dues to fund its expenses. Cash is held in an interest bearing account which provides a rate of return as well as liquidity.

#### 9. Significant event

During the year, there is an ongoing global outbreak of COVID-19 (coronavirus), which has had a significant impact on businesses through the restrictions put in place by the Canadian, provincial and municipal governments regarding travel, business operations and isolation/quarantine orders. These uncertainties arise from the inability to predict the ultimate geographic spread of the disease, and the duration of the outbreak, including the duration of travel restrictions, business closures or disruptions, and quarantine/isolation measures that are currently, or may be put, in place by Canada and other countries to fight the virus. At this time, it is unknown the extent of the impact the COVID-19 outbreak may have on Association as this will depend on future developments that are highly uncertain and that cannot be predicted with confidence.
