ACADEMIC FREEDOM

1. The essential functions of a university are the pursuit, creation and dissemination of knowledge through research and other scholarly and creative activities, and by teaching. Academic Freedom is essential to these functions and ensures the right of Members who, as part of their Responsibilities, teach, investigate and speculate, and/or create exhibits or displays, to do so without deference to prescribed doctrine. Furthermore, universities are communities in which the right to criticize all aspects of society is valued and respected. Members shall enjoy the right to Academic Freedom and shall be free from institutional censorship. These rights are central to the protection of the public interest and the pursuit of truth.
2. Academic Freedom specifically entails, but is not necessarily limited to, the right of Members to state their views on matters relating to their expertise; to criticize the Employer, the Association or any corporate, political, public or private institution; and where the below-mentioned activities are part of their Responsibilities, to:
 - a) conduct research and to publish or make public the results thereof, and according to a schedule, deemed appropriate by the Member(s) concerned, subject to the provisions of any contract with a third party that imposes a delay on the publication of the Member's research. However, any contractual arrangement concerning research shall comply with standards of conduct that membership in a professional body may impose on that Member, with the Articles *Intellectual Property* and *Responsibilities of Members*, with relevant federal and provincial statutes, and with regulations and policies promulgated by Senate or the Board of Governors which are not in conflict with this Collective Agreement, for the protection of researchers, human subjects, and the health and safety of the public;
 - b) teach and discuss;
 - c) choose their own teaching methods;
 - d) select, acquire, disseminate or use materials in the exercise of the Member's Responsibilities, subject to the exceptions specified in Clauses 8.1, 8.1.1, and 8.1.2 below and relevant acquisitions and/or collections policy; and
 - e) create exhibits or displays;
all without deference to prescribed doctrine.
3. The Employer and the Association agree to uphold and protect the principles of Academic Freedom as specified herein and not to infringe upon or abridge them.

4. The exercise of Academic Freedom, as described in this Article, shall not cause the imposition of any penalty or reprisal on a Member by the Employer or the Association. Neither shall the Employer or the Association countenance the restraint of Academic Freedom or the imposition, arising from its exercise, of any penalties or reprisals upon Members by any person, institution, agency or corporation with whom the Employer or the Association does business, or by any donor to the University or the Association, or from any source within the University.
5. The credibility of the principles of Academic Freedom depends upon a collective commitment to exercise these principles in a manner consistent with the professional obligation to assist and carry out Responsibilities based on an honest and ethical search for knowledge.
6. Academic Freedom does not require neutrality on the part of a Member nor does it preclude commitment on the part of a Member. Rather, Academic Freedom makes such commitment possible. Academic Freedom also carries the responsibility to respect the rights and freedoms of others. In particular, Members are expected to recognize the right of other members of the academic community - faculty, staff and students -- to express their opinions. Academic Freedom does not confer legal immunity or legal defence by the Employer in respect of positions that may be taken but which are not specifically sanctioned by the Employer, nor diminish the obligation of Members to meet their responsibilities to the Employer.
7. Members shall not purport to speak on behalf of the Employer or the Association unless specifically authorized to do so. However, a statement of affiliation with, or position in the University, or of qualifications relevant thereto, shall not be construed as an attempt to speak on behalf of the Employer. Similarly, a statement of Membership or position in the Association shall not be construed as an attempt to speak on behalf of the Association.
8. The Parties endorse and subscribe to the statement defining Academic Freedom in the context of libraries and expressing the responsibility of libraries to uphold Academic Freedom, given originally as the Canadian Library Association's *Statement on Intellectual Freedom* (see Appendix B).
 - 8.1 In accordance with the *Statement on Intellectual Freedom* (Appendix B), Members shall uphold the principles of access, intellectual freedom and free expression in the performance of their Responsibilities.
 - 8.1.1 The Parties acknowledge and accept that Members may restrict access to archival *fonds* and collections in order to comply with the terms of a donor agreement, Regulations of Senate and University policy as approved and promulgated by the Board of Governors, or federal or provincial legislation; and may restrict access to fragile, rare or valuable original materials.

- 8.1.2 The Parties acknowledge and accept that archivist Members must restrict access to University records transferred to the physical custody of The University of Western Ontario Archives to those individuals authorized by the transferring unit.

ACADEMIC FRAUD AND MISCONDUCT

1. The Employer and the Association and its Members acknowledge that the University is subject to the application of the *Tri-Agency Framework: Responsible Conduct of Research*, as amended, and various agreements/sub-agreements with other research funders. Without derogating from the principle of institutional responsibility, the Association and its Members shall take all proper and reasonable steps to meet obligations under these agreements.
- 1.1 The Employer shall strive to provide an environment that supports the best research and that fosters researchers' abilities to act honestly, accountably, openly and fairly in the search for, and dissemination of, knowledge by: establishing, publicizing and applying a research conduct policy and procedures; reporting to the Tri-Agency Secretariat on Responsible Conduct of Research; and by promoting education on, and awareness of, the responsible conduct of research; all in compliance with the *Tri-Agency Framework: Responsible Conduct of Research*.
2. The University Policy on *Academic Integrity in Research Activities*, MAPP 7.0, effective June 28, 2022, shall be incorporated into this Collective Agreement and shall apply to the Employer, the Association and the Members.
 - 2.1 In the case of conflict between the provisions of MAPP 7.0, and any other provisions of this Collective Agreement, such other provisions of this Collective Agreement shall prevail. In the case of conflict between the provisions of MAPP 7.0 and/or this Collective Agreement and any relevant legislation, the provisions of the legislation shall prevail.
 - 2.2 Should the Employer make changes to MAPP 7.0, or introduce a successor policy, it shall advise Joint Committee. Where the parties agree to do so, the changes or successor policy shall be incorporated into this Collective Agreement.
3. Honest error, conflicting data, differences in the interpretation or assessment of data or of experimental design or practice do not constitute fraud or misconduct unless there has been intent to mislead. Any finding of fraud or misconduct in research or Academic Activity (as defined in the Article *Responsibilities of Members*) by the University shall require clear, cogent and convincing proof of actual dishonest purpose and intent or reckless disregard for the likelihood to mislead.
4. Examples of research or Academic Activity misconduct are described in section 3 of the University Policy *Academic Integrity in Research Activities*, MAPP 7.0.

Retention of Research Materials

5. Members shall be responsible for providing the Employer access to their research or Academic Activity materials in electronic or some other format for seven (7) years from publication or release to the public of the research results.

This Clause shall not apply where destruction of original research materials or data before the expiration of a seven (7) year period is a legitimate pre-condition for conducting research and other Academic Activity; where such destruction of original materials is required, the Member shall provide access to secondary materials in which observations of the original data have been recorded.

Procedures

6. Everyone in the University community plays an important role in the process for addressing allegations of research or Academic Activity misconduct and in helping to ensure that allegations are addressed appropriately and in a timely manner. The procedures to be followed by any person making or involved in an allegation are described in sections 4, 5 and 6 of the University policy on *Academic Integrity in Research Activities*, MAPP 7.0.
- 6.1 Where an Investigation Panel is required under the University policy on *Academic Integrity in Research Activities*, MAPP 7.0, in respect of a Librarian or Archivist Member Respondent, the Panel shall consist of:

Emeritus librarians, archivists or faculty are eligible to serve on the Panel.

additional members from within or outside the University.

- 6.1.1 Should any investigator or Investigation Panel member have a conflict of interest in the matter, he or she shall declare it and shall withdraw from the Investigation. In such a case, the Vice-President (Research) or designate, shall appoint a replacement.
7. Allegations shall be made in accordance with the provisions of sections 4 and 5 of the University policy on *Academic Integrity in Research Activities*, MAPP 7.0.
8. Any and all disciplinary measures shall be in accord with the provisions of the Article *Discipline*.
9. All Members involved shall have the right to receive assistance and representation from the Association, as the Association deems appropriate.
10. The Employer shall endeavour to:
 - a) restore and protect the reputation and credibility of a Member wrongfully accused of fraud or misconduct in research or Academic Activity including, but not limited to, written notification of the decision to all agencies, publishers or persons who were informed by the Employer of the investigation;
 - b) protect the rights, position and reputation of a Member who in good faith makes an allegation of fraud or misconduct in research or Academic Activity or whom it calls as a witness in an investigation. Such protection shall include the provision of the University's legal counsel should the Member be sued as a result of making an allegation or participating as a witness in an investigation or proceedings related to an allegation, provided that the Member is at all times acting in good faith;
 - c) minimize disruption to the research or Academic Activity of the Member making the allegation and of any third Party whose research or Academic Activity may be affected by the securing of evidence relevant to the allegation during the course of the investigation; and
 - d) ensure that any substantial disruption to Professional Practice, Academic Activity and Service resulting from allegations of fraud or misconduct does not adversely affect future decisions concerning the careers of those referred to in a) and c) above.
11. The Employer shall, where practicable, take such disciplinary action as it deems appropriate against any person who makes allegations of fraud or misconduct in research or Academic Activity which are reckless, malicious or not in good faith.

The approved agreement shall be sent to the Member within twenty (20) working days of the Provost's approval, a copy shall be placed in the Member's Official File and a copy shall be sent to the Association.
4. The Chief Librarian or Dean may initiate discussion of a possible Alternative Workload arrangement for a Member at a meeting with the Member. Following such a discussion, the Chief Librarian or Dean may propose an Alternative Workload arrangement for the Member. Such a proposal shall be in writing, shall invite the Member to discuss its provisions and shall state that the Member's participation in any Alternative Workload agreement is voluntary.
 - 4.1 Members have the right to have a representative of the Association present at any discussion of the proposal.

Such an Alternative Workload arrangement shall commence immediately upon completion of the term as Library Director or Department Head.

13. The Salary Point values and the number of Members in each Base Salary Range shall establish the value of the PLCP fund, and the value of the Salary Point funds within it, that are to be distributed in each year.

Determining Salary Point and Salary Increments

Salary Points and Salary Increments

14. A Member assigned a PAI of less than 1.00 will receive 0.00 Salary Points and no PLCP-derived salary increment.
- 14.1 For a Member with a PAI of 1.00 or greater, the Member's Salary Points will be equal to the Member's fractional share of the total available Salary Points, which will be equal to the Member's PAI divided by the sum of the PAI for all Members with a PAI greater than 1.00.

Total Salary Points and Salary Increment

15. For any Member, the total Salary Points awarded may not exceed 4.00.
16. A Member's Base Salary shall be increased by the value of their total Salary Points, as determined by the Salary Point values in Clauses 11 through 11.3 of this Article. This Base Salary increase shall be applied following the scale and lump sum increases described in Clauses 2 and 3 of this Article.

Career Trajectory Fund (CTF)

17. A Career Trajectory Fund of \$55,000 shall be established in 2024-25.
- 17.1 The CTF shall be administered by a Career Trajectory Committee composed of five members, as follows:
 - a) two members (or alternates) chosen by the Association;
 - b) two members (or alternates) chosen by the Employer; and
 - c) the chair of the committee, who shall be chosen jointly by the Employer and the Association.
- 17.1.1 The Career Trajectory Committee shall conduct its work in 2024-25 such that its recommendations for adjustments are made before the end of the Academic Year, with the recommended adjustments being applied retroactively to July 1, 2024.

Gender-Based Anomalies Adjustments

18. Gender-Based Anomalies Adjustments shall be assigned from the CTF to Members with Probationary or Continuing Appointment whose salaries are determined to be anomalously low because of their gender. The Committee shall investigate the feasibility of reviewing anomalies based on other equity-oriented demographic parameters, including Indigeneity, disability,

membership in a racialized group, sexual orientation, and gender identity. Where there is sufficient supporting data, anomaly adjustments shall be assigned from the CTF to Members whose salaries are determined to be anomalously low because of an equity-oriented demographic parameter. These adjustments shall be made from the CTF before any Career Trajectory Adjustments are considered.

Career Trajectory Adjustments

19. Career Trajectory Adjustments shall be assigned to Members with Probationary or Continuing Appointment whose salaries are anomalously low relative to their experience and accomplishment using factors including, but not limited to, years of service, years since MLIS (or equivalent Archivist qualification), rank, recent PAI scores and career stage compared to similar Librarians and Archivists at comparator institutions.
- 19.1 Career Trajectory Adjustments will only be made if funds remain following any Gender Anomaly Adjustments.
- 19.2 Any funds remaining after the Committee has completed its work shall be distributed equally among the Members with Probationary or Continuing Appointment.
20. Career Trajectory Adjustments will be available only to those Members with an average Performance Assessment Indicator (PAI) of 1.00 or greater, based on the three most recent PAI scores, and the maximum adjustment a Member may receive is \$7,500.
21. Members shall be hired at no less than the salary predicted by the model used in the most recent Career Trajectory Adjustment process.

Market Adjustments

22. Neither this Article nor any other in this Collective Agreement prevents the Employer from using other funds to increase a Member's salary in response to offers received from other employers or to accommodate other market forces.
- 22.1 Members may also receive limited-term stipends or Base Salary increases associated with arrangements recognizing exceptional performance of Responsibilities.

Benefits and Pension

Extended Health, Dental, Life and Disability Plans

23. Members with a Probationary or Continuing Appointment, and Members with a Term Appointment for a term of at least one year, shall continue to have access to the benefit plans in existence for Members as specified in the Librarian/Archivist Collective Agreement effective July 1, 2011, with the following exceptions and changes:
- a) Effective January 1, 2017, such Members shall have access to health, dental, life and disability benefits equivalent to those provided in the contract between The University of Western Ontario and Manulife Financial for Class 003 – The University of Western Ontario Faculty Association, as dated January 1, 2016, and also the Employee and Family Assistance Program, Computer Purchase Program, Staff/Faculty Health Services and Service awards, which shall continue except as modified by this Collective Agreement or through mutual agreement of the Parties.

- 23.1 Upon ratification of this Agreement, the health care benefits contract shall be amended to reimburse Mental Health Professional Services at 85% and to include services delivered by individuals who are registered by the College of Psychologists of Ontario, the College of Registered Psychotherapists of Ontario, the College of Nurses of Ontario, the College of Occupational Therapists of Ontario, the Ontario College of Social Workers, Ontario Registered Clinical Counsellor or the Canadian Registry of Marriage and Family Therapists. 24. A Health Care Spending Account (HCSA) shall be made available to each Full- Time Member. The HCSA is intended to operate in accordance with the Canada Revenue Agency's guidelines for private health services plans, as amended from time to time. Amounts credited to the HCSA for each Member shall be used to reimburse the Member for qualified out-of-

pocket health-related expenses. Qualified expenses include expenses that qualify for the medical expense tax credit, as defined under the *Income Tax Act (Canada)* and its Regulations, where such expenses are not covered or reimbursable under any other insurance or benefit program. Examples of qualified expenses include, but are not limited to:

- a) expenses incurred above the dollar maximums for particular benefits (for example, Visioncare and co-pay for certain categories of Medical Practitioners);

24.2 Unused funds from the HCSA may be carried forward one calendar year, but not beyond. HCSA funds remaining unused at the end of this second calendar year will be forfeited. No cash-outs of HCSA funds are permitted. Amounts paid from the HCSA in any calendar year shall not exceed HCSA funds credited in that year or carried forward from a prior year. Eligible expenses incurred in a particular calendar year shall be reimbursed only from HCSA funds allocated in that year or carried forward from a prior calendar year. Eligible expenses, over and above available HCSA funds for any calendar year, cannot be carried forward and are not reimbursable under the HCSA.

24.2.1 For clarity, for expenses incurred in any given year under Clause 24 (c-e), Members may submit their receipts and use their carry forward HCSA funds combined with their current year HCSA fund entitlement to cover expenses under that receipt.

- 24.3 Effective January 1, 2020 Members will be allocated 2,000 in flexible benefit credits that they may elect to allocate to either the Professional Expense Reimbursement (PER), a taxable Wellness Spending Account (WSA) or the Health Care Spending Account (HCSA).
- 24.4 All flexible benefit credit allocations must be made in \$100 increments. This election must be made by November 30 of the year prior to the calendar year in which the credits will be allocated to the various accounts. The election is irrevocable. Where a Member makes no election, all of the Member's flexible benefit credits will automatically be credited to the PER, and no amount will be credited to the Member's HCSA, or to the Wellness Account.
- 24.5 Notwithstanding Clause 24.4, newly-hired Full-Time Members shall have access to 100% of the allocations for the calendar year referred to in Clause 24.3, provided their appointment commences on or before July 1 of that calendar year. Full-time Members whose appointment commences after July 1 shall have access to 50% of the allocations for that calendar year. All newly hired Members shall direct the allocation of their flexible credits to HCSA, PER or WSA in accordance with Clause 24.4 within 30 days of the commencement of their Appointment, failing which the default allocation shall apply.

Academic Pension Plan

25. Members with a Probationary or Continuing Appointment, and Members with a Term Appointment for a term of at least one year, shall continue to have access to the pension plan in existence for Members as specified in the Librarian/Archivist Collective Agreement effective July 1, 2011 with the following exceptions and changes:
- a) Effective January 1, 2016, the Employer shall contribute 9.0% of a Member's Pensionable Earnings for a Full-Time Member with twenty (20) or more years of Full-Time Service who is contributing 5.5% of Pensionable Earnings.
 - b) A Member may elect to make contributions at 5.5% of Pensionable Earnings at any time. Such election shall be irrevocable.
- 25.1 The Employer shall contribute 8.5% of Pensionable Earnings subject to Clause 25.
- 25.2 Employees shall contribute 5.5% of Pensionable Earnings unless the Member elected to make contributions at 1.5% by June 30, 2011.

- 25.3 Pensionable Earnings for Full-Time members are defined as Base Salary and stipends. Pensionable Earnings for Part-Time members are defined as T4 income.
- 25.4 Contributions to the Pension Plan shall cease at the earlier of:
- a) the end of a Phased Retirement period;
 - b) a Member's actual retirement date;
 - c) the date of termination of a Member's employment and in any case at the end of the Calendar Year in which the Member attains age 71.

Benefits after Normal Retirement Date

26. Until the end of the year in which they turn 71, Members who continue to hold a Full-Time appointment beyond their normal retirement date (NRD) are entitled to the same coverage as Full-Time members who have not reached their NRD.
- 26.1 Notwithstanding the provisions of Clause 26 of this Article, Long Term Disability benefits and coverage shall be provided to Members who continue to hold a Full-Time appointment beyond their NRD until the earlier of the Member's retirement from the University or the December 31 of the year in which the Member attains age 71. - 26.2 Notwithstanding the provisions of Clause 26 of this Article, Basic, Optional, and Dependent Life Insurance benefits, as well as Accidental Death and Dismemberment Insurance benefits, shall end at a Member's NRD. Employer-paid life insurance, with a value of \$50,000, shall be provided to Members who continue to hold a Full-Time appointment beyond their NRD until they retire or the end of the year in which the Member attains age 71, at which time the Employer-paid life insurance will reduce to a \$15,000 benefit.
- 26.3 A Member who continues to hold a Full-time appointment past the end of the year in which they turn 71 shall be entitled to all the Benefits provided by the University of Western Ontario Retired Group Benefit Plan.

- 26.4 Notwithstanding the provisions of Clause 26 of this Article, the emergency out of country travel coverage for Members who continue to hold a Full-Time appointment beyond their NRD will be limited to trips of a duration no longer than 60 days for this coverage.

Moving Expense Reimbursement and Research Grants

27. A Member may request a Moving Expense Reimbursement and/or a Research Grant, in lieu of a portion of their salary, under the terms of the *Income Tax Act* and Canada Revenue policy.
- 27.1 A Moving Expense Reimbursement is intended to cover moving expenses which are, in accordance with the then current Canada Revenue Agency policies, eligible for reimbursement without generating a taxable benefit to the Member and which are incurred by a Member in relation to their work.
- 27.1.1 Responsibility for moving expenses lies with the Member. Any portion of the Moving Expense Reimbursement not used to cover moving expenses must be reported by the Member as income.
- 27.2 A Research Grant is intended to cover research related expenses for a specific research project where the research to be undertaken is beyond that ordinarily expected of the Member under their terms of employment.
- 27.2.1 Any amounts paid to a Member as a Research Grant will be paid as T4A income and will not be subject to statutory deductions. The Member is responsible for claiming research related expenses on their personal income tax return.
- 27.3 The payment of the Moving Expense Reimbursement and the Research Grant in lieu of salary shall not reduce the salary received below the Year's Maximum Pensionable Earnings under the Canada Pension Plan.
- 27.4 Responsibility for amounts paid as Moving Expense Reimbursement or a Research Grant lies with the Member. The Employer shall inform the Member of the terms and conditions applicable to such a request including the Member's responsibility for any liabilities that result from making payment in accordance with the request and including the Member's responsibility to indemnify the Employer for the following amounts that are related to the Member that may be incurred by the Employer in the event of an unfavourable decision by the Canada Revenue Agency (CRA):
- i) unpaid statutory deductions or remittances under the *Income Tax Act*, the *Employment Insurance Act* and the *Canada Pension Plan Act*; penalties of up to 10% of each of the unpaid deductions or remittances, and interest on these amounts;

- ii) penalties of up to 10% and interest on other remittances.

If the Member accepts in writing the applicable terms and conditions and the Employer is satisfied that the request is in compliance with the *Income Tax Act* and CRA policy, then the Employer shall grant the request.

Academic Activity Support Fund

- 28. In each academic year, the Employer shall provide an Academic Activity Support Fund of \$8,000 to provide Academic Activity grants for Members who have Academic Activity as part of their Responsibilities.
- 29. All applicants shall submit a written and signed application to the Chief Librarian or Dean by June 1. The application must include:
 - a) the nature and scope of the specific Academic Activity for which funding is requested;
 - b) the anticipated start and end dates of the Academic Activity;
 - c) a proposed budget including all expenses, known and projected, that will be associated with the Academic Activity. Expenses may include, but are not limited to, travel, purchase of supplies, support personnel or technology and equipment; and
 - d) the anticipated use of the results of the Academic Activity.
- 30. The Chief Librarian or Dean shall review all applications received and, subject to funds being available, determine which applications will be approved. Approval of the applications shall not be arbitrarily withheld, although priority shall be given to applications received from Probationary Members and then to Members who have not previously received Academic Activity Support fund allocation.
- 30.1 Each member is eligible to receive one or more Academic Activity grants during the life of this Collective Agreement. Priority for subsequent grants shall be given to Probationary Members.

 - 34.1 This bonus shall be paid as of the effective date of promotion.

CONFLICT OF INTEREST AND CONFLICT OF COMMITMENT

Conflict of Interest

1. In this Article, *Relationship* means any relationship of the Member to persons of his or her immediate family, whether related by blood, adoption, marriage or common-law relationship, and any relationship of an intimate and/or financial and/or commercial nature during the preceding three (3) years, or any other past or present relationship which may give rise to a reasonable apprehension of bias.
2. An actual or potential conflict of interest arises where a Member's financial or other personal interest, or that of any person with whom the Member has or has had a relationship, conflicts or appears to conflict with the Member's responsibility to the University.
3. The existence of an actual or potential conflict of interest does not necessarily preclude involvement in the matter which has given rise to the actual or potential conflict; however, the Member shall disclose, in writing, such conflict to the Chief Librarian or Dean as soon as possible after becoming aware of it.
- 3.1 Actual or apparent conflict of interest that is of sufficient seriousness to compromise the integrity of the decision-making process may also be asserted by any other person with knowledge of the matter. Such assertions shall be communicated, in writing, to the Chief Librarian or Dean by the party concerned as soon as possible after that party becomes aware of the actual or apparent conflict of interest, and no later than the meeting(s) at which the matter is being discussed.
4. Following receipt of the notice of conflict provided for under Clause 3 or following receipt of an assertion of conflict under Clause 3.1, the Chief Librarian or Dean shall determine in a timely fashion whether an actual or potential conflict exists and, if so, decide whether the Member may continue involvement in the matter giving rise to the conflict, subject, where appropriate, to Clause 4.1 below and, in any case, after consultation with the Member.
- 4.1 Where a conflict of interest has been asserted by a third party, the Chief Librarian or Dean shall immediately inform the Member concerned of the assertion, in writing, and give the Member an opportunity to respond before making a decision in the matter.
- 4.2 Following the determination in Clause 4, the Chief Librarian or Dean shall immediately communicate his or her decision in the matter, in writing, giving reasons, to the Member and, where appropriate, to any third parties under Clause 3.1.
5. No Member shall knowingly participate in any decision that directly and preferentially benefits the Member, or a person with whom the Member has or has had a

- relationship, except in accord with the provisions of Clause 4 above.
6. No Member shall knowingly participate in any decision directly affecting a person from whom the Member stands to derive a financial benefit or with whom the Member has or has had a relationship.
 7. Notwithstanding Clause 3 above, a Member who has any interest, directly or indirectly, in any commercial contract, transaction, proposed contract or proposed transaction under consideration by the Employer and participates in any decision related to these matters shall:
 - a) declare the nature and extent of the interest as soon as possible and no later than the meeting(s) at which the matter is to be considered;
 - b) withdraw from the meeting where the matter is being discussed;
 - c) refrain from taking part in any other discussion of the matter; and
 - d) refrain from voting on the matter.
 8. In particular, without limiting the provisions of Clauses 2 through 7 of this Article and unless, after full disclosure of the conflict of interest, the Member is specifically authorized by the Provost or designate to do so, the Member shall not:
 - a) knowingly authorize the purchase of equipment, supplies, services or real property using University funds or funds administered by the Employer, from a source in which the Member, or any person with whom the Member has or has had a relationship, has a material financial interest; or
 - b) engage any individual with whom the Member has or has had a relationship in any capacity paid for by University funds or by funds administered by the Employer.

Conflict of Commitment

9. The nature of the professional competence of many Members affords opportunities for the exercise of that competence outside the Member's Responsibilities, on both remunerative and non-remunerative bases. Recognizing that such professional activities can bring benefits to and enhance the reputation of the University and of Members, the Employer agrees that Members may engage in part-time professional activities, paid or unpaid, provided that such activities do not conflict or interfere with the Member's Responsibilities to the Employer as defined in the Article *Responsibilities of Members*, subject also to the following conditions:
 - a) when a Member's outside activities involve the use of the Employer's facilities, supplies and services, their use shall be subject to the prior approval of the Employer. Costs for such facilities, supplies or services shall be borne by the Member at prevailing rates set by the Employer, unless the Employer agrees, in writing, to waive all or part of such costs; and

- b) the Employer's approval of the use of the Employer's facilities shall not signify that such activities count as part of the Member's fulfilment of Responsibilities.
10. If a Member plans to undertake a major external activity which has the potential to interfere with the Member's Responsibilities, the Member must disclose the plans and seek approval to undertake the activity in accordance with the steps set out below. The disclosure shall be in writing to the Chief Librarian or Dean and shall include:
- a) a description of the nature of the work;
 - b) an estimate of the time required to perform the work;
 - c) an estimate of the extent, if any, of the use of University facilities, supplies, support staff or students;
 - d) a list of any other external activities that have already been approved in that year or which are continuing from an earlier year;
 - e) an estimate of the impact the activity will have on Professional Practice, Academic Activity, and Service Responsibilities; and
 - f) such other information as may be reasonably required by the Chief Librarian or Dean to make an informed determination on the matter.
11. The Chief Librarian or Dean shall evaluate the request to determine the extent to which the activity will enhance or detract from the fulfilment of the Responsibilities of the Member.
12. The Chief Librarian or Dean shall consider the request as soon as possible and shall render a decision in writing within ten (10) working days. If approval is denied, or offered only on conditions, the Member shall be provided with reasons in writing for the decision. Such requests shall not be arbitrarily denied.
13. If the planned activity would detract from the fulfilment of the Member's Responsibilities, the Chief Librarian or Dean may require, as a condition of granting approval, that the Member agree to a period of Reduced Workload or Leave of Absence without pay.
14. *A Paid Professional Activity* is an activity funded by sources other than the University which arises from the Member's position and expertise and which confers a financial benefit.
- 14.1 Each Member who engages in an annual aggregate of \$2,000 Paid Professional Activities outside the Member's Responsibilities in the previous Academic Year shall submit a Paid Activities Report as part of the Member's Annual Report covering the period in question. The Paid Activities Report shall include:

- a) the total time involved in each Paid Professional Activity and a brief description of the activities involved; and
 - b) any significant use of University resources in any Paid Professional Activity.
15. All information or reports disclosed in accord with this Article will be confidential.

COPIES OF THE AGREEMENT

1. The Parties shall jointly prepare the master copy of the draft form of the Agreement needed for ratification, including those appendices which the Parties agree should be distributed.
2. Subsequent to ratification, the Parties shall cooperate in any technical editing still required and the Employer shall prepare the master copy for dissemination. The process shall not delay the implementation or signing of the Agreement.
3. Within thirty (30) days of the completion of technical editing by the Parties, or as soon as possible thereafter, the Employer shall provide the Association with one electronic copy of the Agreement. The Employer shall provide the Association with written reasons for any delay beyond thirty (30) days from the completion of the technical editing.
4. Any Member hired subsequent to the initial distribution shall receive an electronic copy of the Agreement from the Employer at no cost to the Member or the Association. An electronic copy of the Agreement will be available for consultation by any person interviewed for or offered employment within the Bargaining Unit.
5. Within sixty (60) days of the completion of technical editing by the Parties, the Employer will prepare a copy of the Agreement in a form suitable for posting on the Internet, and the Employer shall make this copy accessible on the Employer's public web pages.

COURT LEAVE

1. When a Member is called for jury duty, or is subpoenaed by anybody in Canada with the power to do so, and where jury duty or subpoenaed service requires absence from the University, the Member shall notify the Chief Librarian or Dean as soon as possible, and shall request Court Leave.
2. Court Leave shall be considered as leave with pay provided that the Member, on returning to work, gives the Chief Librarian or Dean verification from the Court or other body stating the period of jury duty or subpoenaed service.
3. If a Member on a Probationary Appointment takes a Court Leave for a period of less than one (1) month, there shall normally be no extension of the Member's probationary period.
 - 3.1 If a Member on a Probationary Appointment takes a Court Leave for a period of one (1) month or more, the Member's probationary period shall be extended for a period equal to that of the Court Leave taken.
 - 3.2 If a Court Leave, taken by a Member on a Probationary Appointment, demonstrably and seriously interferes with the performance of duties relevant to consideration for a Continuing Appointment, the Member may apply in writing and with reasons to the Chief Librarian or Dean, within thirty (30) days of the end of the Court Leave, requesting an extension beyond the provisions set out in Clauses 3 and 3.1 above. Such a request shall not be arbitrarily denied.
4. The Employer may request the Court to excuse a Member from jury duty or subpoenaed service on grounds relating to the Employer's operational requirements.

DEFERRED SALARY LEAVE

1. With the exception of Compassionate Leave, Court Leave, Pregnancy and/or Parental/Adoption Leave and Sick Leave, at least two (2) years of full-time continuous service shall elapse between any two successive Leave periods, and a Member shall not be on Leave for more than twenty-four (24) months in any seven (7) year period. These restrictions may be modified in individual cases by the Provost on recommendation from the Chief Librarian or Dean, at the request of the Member. Approval of any such request shall not be arbitrarily withheld.
2. Deferred Salary Leave is intended to allow for a leave of absence funded by the individual Member at no cost to the Employer during the period of the Leave. Such a Leave may be granted where the Employer determines that the Leave will not interfere with the ability of the Member's Unit to meet its operational requirements.
3. The provisions of this Article are subject to the relevant provisions of the *Income Tax Act* and any interpretations made by Canada Revenue Agency (CRA); any changes in the Act or its interpretation override the provisions of this Article.
4. Unpaid leaves of four (4) months, six (6) months or one (1) year may be funded through a Deferred Salary Leave arrangement as defined in Section 248(1) of the *Income Tax Act*.
5. All Continuing Appointment Members are eligible to apply for a Deferred Salary Leave.
6. Salary may be deferred over a one (1) to five (5) year period, and the deferred salary shall be completely used during the Leave period. The Member must return to the University for a work period at least as long as the Leave, as required under the *Income Tax Act*.
7. The percentage of nominal salary deferred will range between 5% and 25%, depending upon the income needs during the period of deferral and the period of the Leave.
8. The salary deferred is retained by the Employer to be deposited into a University interest-bearing bank account. The bank will be a registered financial institution used by the University and the interest rate will be the maximum rate available.
9. During the year(s) of salary deferral, income tax is payable on the actual salary received and also on the interest accrued on the deferred salary. During the Leave, income tax is payable on the accumulated deferred salary as it is received and also on the interest accrued during the Leave period.
10. During the years of deferral the contributions of the Member and the Employer towards the Member's benefits will be based on the Member's total salary (i.e.,

the sum of the actual salary received and the deferred salary). The Member may elect to pay the cost of benefits and pension contributions during the period of the Deferred Salary Leave. During a Deferred Salary Leave the Employer will not contribute towards the costs of benefits, including pension.

11. Professional Leave credit shall not be earned during a Deferred Salary Leave.
12. A Member must make application for a Deferred Salary Leave to the Chief Librarian or Dean. A Member shall apply in writing six (6) months before the period of salary deferral is to commence. The application shall state the periods requested for salary deferral and the Leave to follow, along with the amount of salary to be deferred.
13. After consultation with the immediate supervisor, the Chief Librarian or Dean shall recommend to the Provost that the application be either approved or denied. The Employer shall then approve or deny the application within one (1) month after the application is made. Approval shall not be arbitrarily withheld and any decision not to approve the application shall be accompanied by written reasons.
14. Details of the Deferred Salary Leave, where approved by the Employer, will be confirmed in writing and signed by the Member and the Employer. If an application is approved, the Member's Unit will be committed to accommodating the Deferred Salary Leave at the approved commencement date.
15. Members on Deferred Salary Leave are not eligible for consideration for Promotion while on Leave. Activity in any area of the Member's Responsibilities, reported for the period of Deferred Salary Leave, shall be included if/when a participant is subsequently considered for Promotion.
16. Leave cancellation shall occur on termination of employment, disability or death of the Member. The deferred salary plus interest shall be paid to the Member, or to the Member's beneficiary or estate, subject to tax regulations.
17. Withdrawal or postponement of the Deferred Salary Leave for reasons other than termination of employment, disability or death requires written application to the Employer at least six (6) months before the Leave is scheduled to begin. The Employer shall approve or deny the application within one (1) month after the application is made. Government regulations require that if salary has been deferred for the maximum five (5) year period, the Leave cannot be postponed.

DISCIPLINE

General

1. A Member may be disciplined only for just cause and in accord with the provisions of this Article and only after a determination by the Employer that discipline of the Member is warranted. Such disciplinary action shall be consistent with the principle of progressive discipline, commensurate with the seriousness of the offense.

Types of Discipline

2. The following disciplinary measures may be taken by the Employer against a Member and documented in the Member's Official File:
 - a) a written warning or reprimand;
 - b) suspension with pay;
 - c) suspension without pay; or
 - d) dismissal for cause

Written Warning or Reprimand

3. A written warning or reprimand shall contain a clear statement of the reasons for taking the action and shall be clearly identified as a disciplinary measure. Where a Member disagrees with the substance of a warning/reprimand, they may file a reply which will form part of the Official File.
- 3.1 The failure of a Member to grieve a warning/reprimand shall not be deemed an admission of the validity of the warning/reprimand.

Suspension

4. Suspension is the act of the Employer in relieving, for cause, some or all of a Member's duties and/or entitlements without the Member's consent.

Dismissal

5. Dismissal means the termination of Appointment without the Member's consent but does not include termination under the *Reassignment* Article.
- 5.1 Mere non-renewal of a Term Appointment does not constitute dismissal. Not granting a Continuing Appointment to a Probationary Member does not constitute dismissal.

- 5.2 Grounds for dismissal of a Member shall be:
- a) gross misconduct, which may be found to arise from a single incident but which also may include repeated serious misconduct;
 - b) persistent failure to discharge Responsibilities through incompetence or neglect of duties; or
 - c) abandonment of duties.

Medical Disability

6. Medical disability shall not be cause for discipline. If the Employer considers a Member's behaviour to be unacceptable and believes this behaviour may be the result of illness, the Employer may require the Member to undergo a medical examination pursuant to Clause 19 of the Article *Income Security*.
- 6.1 If a Member is relieved from duties pending the outcome of the procedure established under Clause 6, the Member shall be deemed to be on sick leave and shall receive salary and benefits in accordance with the Article *Income Security*.

Disciplinary Process Distinct from Assessments

7. Disciplinary processes shall be distinct from assessment processes such as are used for Promotion and Continuing Appointment and Biennial Report and Review.
- 7.1 The fact that a disciplinary measure is contemplated or has been imposed cannot be considered in an assessment; however, the facts that resulted in or may result in the imposition of discipline may be considered if relevant to an assessment.

Investigation Process Distinct from Investigation Processes in Discrimination and Harassment and Academic Fraud and Misconduct

8. Allegations of fraud or misconduct in Research and allegations of Discrimination or Harassment shall be investigated under the terms of the Articles *Academic Fraud and Misconduct* and *Discrimination and Harassment* of this Collective Agreement, as applicable.
- 8.1 Where an investigation under the terms of the Articles *Academic Fraud and Misconduct* or *Discrimination and Harassment* results in a finding of Member misconduct that warrants discipline, the file will be referred to the Vice-Provost (Academic Planning, Policy, and Faculty) or designate and proceed in accordance with the disciplinary process outlined in Clauses

12-13.6 below.

- 8.2 No disciplinary action in respect of a finding of fraud and/or misconduct in Research, or Harassment and/or Discrimination shall begin under this Article before the allegation of fraud and/or misconduct in Research, Harassment and/or Discrimination is substantiated in accordance with the *Academic Fraud and Misconduct* or *Discrimination and Harassment* Article, as applicable.
9. Where the Employer decides to investigate allegations not related to fraud and/or misconduct in Research or Discrimination and/or Harassment, the investigation shall follow a process consistent with Clauses 10 – 11.8 below.

Investigation

10. All Members involved shall have the right to receive assistance and representation from the Association, as the Association deems appropriate.
11. The Employer may investigate any allegation which, if proven, would warrant taking disciplinary proceedings against a Member. Such investigation shall be limited to the specifics of the allegation. Findings from previous investigative actions by the Employer will not be considered in any current and/or new investigative process. An allegation made anonymously will be considered only if accompanied by sufficient information or if relevant facts are available to enable the assessment of the allegation and credibility of the facts and evidence on which the allegation is based without the need for further information from the person or persons who made the anonymous allegation. If the Employer decides to proceed with an anonymous allegation, the source of the allegation will not be entitled to receive information on the status of the allegation or information concerning the outcome of any review of facts or investigation conducted in respect of the allegation.
 - 11.1 In advance of an investigation, the Employer shall undertake a review of the facts in the allegation to determine whether the allegation is responsible and an investigation should be pursued. This review will be completed within fifteen (15) working days of receipt of the allegation. The Employer may consult the Member in this review of the facts. Where the Member was consulted as part of the review of the facts, the Employer shall notify the Member and, if directed by the Member, the Association in writing of any decision not to proceed with an investigation of an allegation within ten (10) days of the decision.

- 11.2 If it is determined that an investigation is warranted, the Employer shall commence the investigation within ten (10) working days of the conclusion of the review, by notifying the Respondent in accordance with Clause 11.3 below.
- 11.3 Subject to Clause 11.4 below the Employer shall advise the Member in writing of the substance of the allegations and the scope of the investigation, and invite the Member to respond to the allegation(s) by meeting with the Employer or by submitting materials, or both. The Employer shall simultaneously inform the Member of their rights under Clause 10 above.
- 11.4 If the Employer decides to begin an investigation it will:
- a) appoint an internal or external Investigator to prepare a fact-finding report in which the Investigator shall review the complaint and determine if the allegations have been substantiated;
 - b) ensure that the Investigator has relevant experience in such investigations and does not have a conflict of interest in the matter under review;
 - c) inform the Association of the name of the Investigator;
 - d) advise the President of the Association, where the Employer has made the complaint.
- 11.5 The Employer may withhold information, decide not to notify the Member or delay notifying the Member if there are grounds to believe there is a risk of significant harm to another person or to University property or that the investigation may otherwise be jeopardized.
- 11.5.1 If the decision is made to withhold information under the terms of Clause 11.5, the Employer shall notify the President of the Association immediately and shall further provide the President of the Association with all details as they become available.
- 11.6 Members and the Employer shall maintain the confidentiality of the investigative process and its findings until its conclusion up to the imposition of discipline, if any, unless the Employer has grounds to believe that such confidentiality may put a person at risk of significant harm. In such a case, the Employer shall immediately inform the Association of its decision not to maintain confidentiality and the grounds for the decision.

- 11.6.1 All persons contacted by the Employer during the investigation shall be informed of the confidentiality requirement under Clause 11.6 above.
- 11.7- If the tentative results of the investigation are not available within forty-five (45) days of the start of the investigation, then, within two (2) working days the Employer shall explain the delay to the Member and to the Association.
- 11.8 Where the investigation finds no misconduct, the Employer will inform the Member in writing within ten (10) working days that the process has concluded.

Disciplinary Process

- 12 If discipline is being proposed, the Employer shall provide the Member with a Notice of Proposed Discipline and if directed by the Member, inform the Association that such a notice has been sent within ten (10) working days of the tentative results of the investigation being known. The Notice of Proposed Discipline shall be sent before the investigation is closed and any discipline is imposed.
- 12.1 The Notice of Proposed Discipline, under Clause 12 above, shall advise the Member of the nature of any discipline proposed and shall invite the Member to attend a meeting with the Discipline Panel. The meeting shall take place within thirty (30) days of the sending of the invitation.
- 12.1.1 The Employer shall provide a copy of the investigation report to the Member, upon the Member signing the confidentiality acknowledgement provided by the Employer. Notwithstanding Clause 11.6, the Member shall not distribute the report. The investigation report will be unredacted other than redactions applied under Clause 11.5 above or Clause 14.5.1 of the *Discrimination and Harassment Article*.
- 12.2 The Notice of Proposed Discipline shall state that the Member has the right to have an Association representative at the meeting.
- 12.3 When the Employer provides a Notice of Proposed Discipline, and the Member has sought the assistance of the Association and provides the Employer with written consent for the Association to receive a copy of the investigation report respecting the event(s) on which the Notice of Proposed Discipline is based, the Employer will provide a copy of the report to the Association as follows:
 - a) The investigation report will be provided to the Association in advance of the Member meeting the Discipline Panel;

- b) The investigation report will be unredacted other than redactions applied under Clause 11.5 above or Clause 14.5.1 of the *Discrimination and Harassment* Article; and
 - c) Prior to the investigation report being delivered to the Association, the Association will sign a confidentiality agreement provided by the Employer stating that the report will be kept confidential and will not be used for any purpose other than providing representation to the Member who has received the Notice of Proposed Discipline.
- 13 The Member may respond to the invitation to attend the meeting with the Discipline Panel in person or through an Association representative. Should the Member fail to respond within ten (10) working days or fail to attend a meeting on the matter, without reasonable excuse, the Employer may proceed under the terms of this Article.
 - 13.1 At the meeting, the Employer shall provide the Member with details of the disciplinary measures proposed. The purpose of the meeting shall be to permit the Member to submit documents or oral evidence and make submissions concerning the tentative results of the investigation or concerning any proposed discipline.
 - 13.2 If a Member is reprimanded, suspended or dismissed, they shall be given written notification within ten (10) days of the meeting with the Discipline Panel, together with the reasons for taking this action in sufficient detail to permit them to respond.
 - 13.3 Any Grievance related to a suspension or dismissal shall start at Step 2.
 - 13.4 A Member who is suspended shall receive full salary and benefits until any Grievance contesting such disciplinary action has been finally resolved through Arbitration or until the time for filing a Grievance has lapsed.
 - 13.5 A Member who is dismissed shall receive a lump sum equivalent to four (4) months' full salary within fifteen (15) working days of the effective date of dismissal. Such sum shall be deducted from any retroactive salary ordered through Arbitration.
 - 13.6 At an Arbitration or Grievance hearing relating to discipline, the onus is on the Employer to prove that the discipline was for just cause.

No Reprisal or Retaliation

- 14 Any reprisals, retaliation or threats of reprisals or retaliation for pursuing rights under this Article, for having participated in procedures, or for acting in any role under these procedures are prohibited. Any such alleged reprisal or retaliation or threat thereof shall be grounds for laying a complaint under this Article and proceeding directly to a fact-finding investigation of the alleged reprisal or retaliation as described in Clause 11 of this Article.

Institutionalized Member

- 15 A Member who is committed to a penal institution for a period of six (6) months or less shall be given a Leave of Absence without pay for the period of incarceration.
- 15.1 Notwithstanding Clause 15 above, a Member who is incarcerated prior to trial in a criminal matter shall continue to be paid full salary and benefits until the Member is found guilty.

Sunset Provision

- 16 All warnings/reprimands and all documents associated with them shall be removed from the Member's Official File twenty-four (24) months after the date on which the warning/reprimand was given to the Member, unless the Member has been given further warnings or reprimands and does not successfully grieve the matter.

Restriction on Discipline

- 17 A Member may not be disciplined for violation of a rule, regulation or policy unless that rule, regulation or policy has been promulgated by the appropriate authority and does not violate this Collective Agreement.
- 17.1 No investigation under this Article shall be initiated by the Employer more than one hundred and eighty (180) days after it knew or ought to have known about the facts that could be the basis for discipline.

DISCRIMINATION AND HARASSMENT

1. The Parties are committed to providing a working and learning environment that allows for full and free participation of all members of the institutional community. Discrimination against and Harassment of individuals, whether as members of any recognizable group or otherwise, undermine these objectives and violate the fundamental rights, personal dignity and integrity of individuals or groups of individuals.

Definitions

 - a) race, color, ancestry, place of birth, ethnic or national origin, citizenship (except for new Appointments as provided for by law); or
 - b) creed, religious or political affiliation or belief or practice; or
 - c) sex, sexual orientation, gender identity or expression, physical attributes, marital status, or family relationship; or
 - d) age; or
 - e) physical or mental illness or disability (provided that such condition does not interfere with the ability to carry out the Member's Responsibilities; but this exception shall not relieve the Employer from its duty to accommodate in accordance with the *Human Rights Code*, R.S.O. 1990, c. H.19 or other applicable legislation); or
 - f) place of residence (except where the place of residence would interfere with the carrying out of any part of the Member's Responsibilities); or
 - g) record of offences (except where such record is relevant to the Member's Responsibilities); or
 - h) membership or participation in the Association.
- 2.1 Clause 2 does not apply to any action or decision based on a *bona fide* occupational requirement or qualification.

- 2.2 For the purposes of determining what limitations may reasonably be imposed in good faith to meet the objective requirements of employment, every employee is entitled to individual consideration.
3. The Employer shall take proper and reasonable steps to avoid systemic Discrimination through policies or practices that may lead to adverse job-related consequences.
4. This Article shall not infringe upon the implementation of special programs designed to relieve hardship or economic disadvantage or to assist disadvantaged persons or groups to achieve or attempt to achieve equal opportunity.

Harassment

5. There shall be no Harassment or Sexual Harassment exercised against or by any Member.
- 5.1 *Harassment* means engaging in a course of vexatious comment or conduct that is known or ought reasonably to be known to be unwelcome. Harassment may be related to one or more of the prohibited grounds of Discrimination under Clause 2. Harassment includes Sexual Harassment and Personal Harassment, including Workplace Harassment. Harassment may constitute a serious offence that may be cause for disciplinary sanctions including, where appropriate, dismissal.

Sexual Harassment

- 5.1.1 *Sexual Harassment* includes comment or conduct of a sexual nature such as, but not limited to, sexual assault, verbal abuse or threats, unwelcome sexual invitations or requests, demands for sexual favours or unwelcome innuendo or taunting about a person's body, physical appearance or sexual orientation and includes situations where:
 - a) submission to such conduct is made either explicitly or implicitly a condition of an individual's employment, academic status or academic accreditation; or
 - b) submission to such conduct by an individual is used as a basis for employment, or for performance, academic status or academic accreditation decisions affecting such individual; or
 - c) such conduct interferes with an individual's work or performance; or
 - d) such conduct creates an intimidating, hostile or offensive working or academic environment.

This definition of Sexual Harassment is not intended to inhibit interactions or relationships based on mutual free consent or normal social conduct between employees or bona fide academic discussion. However, Members who have authority over or the ability to confer or refuse benefits of an academic or financial nature and who are involved or become involved in a relationship with a student or employee could be in a situation where the ability of the student or employee to consent is compromised and thus such relationship should be embarked on with caution. In any event such relationships shall be declared in accordance with the Article *Conflict of Interest and Conflict of Commitment*.

Personal Harassment

5.1.2 *Personal Harassment* includes conduct and/or behaviours which create an intimidating, demeaning or hostile working or academic environment whether or not it is based on the prohibited grounds defined in the *Human Rights Code* and listed in Clause 2.

For the purposes of this Article, Personal Harassment includes *Workplace Harassment* as defined under the *Occupational Health and Safety Act* as engaging in a course of vexatious comment or conduct against a worker in a workplace that is known or ought reasonably known to be unwelcome.

5.1.3 Harassment does not include:

- a) interpersonal conflict or disagreement;
- b) the proper exercise of the performance evaluation provisions of this Collective Agreement; or
- c) the exercise of expression protected by the Article *Academic Freedom*.

6. The Employer, Academic Leaders (Deans, Chief Librarian, Associate and Assistant Deans, University Archivist, Associate Chief Librarians, Chairs, Directors, and other Unit Heads) and the Association and Members share responsibility for ensuring and promoting a safe working and learning environment that is free from Discrimination and/or Harassment and shall take proper and reasonable steps to uphold the policies and procedures set out in this Article.

Where a Member becomes aware of circumstances that might reasonably be interpreted as a threat to the safety of any member of the campus community, or becomes aware that any member of the campus community is a victim or perpetrator of violence including domestic violence, the Member shall immediately report this information to the Campus Police.

7.1 The parties acknowledge the Human Rights Officer may be required by law to release relevant information to law enforcement agencies or to the Employer regarding threats to safety or potential violence. Where any such release involving a Member is deemed necessary, the Human Rights Officer shall notify the President of the Association.

Officer.

- 8.2 With respect to matters arising under the terms of this Article Members may be represented by legal counsel at their own expense.

No Reprisal or Retaliation

9. Any reprisals, retaliation or threats of reprisals or retaliation for pursuing rights under this Article, for having participated in procedures, or for acting in any role under these procedures are prohibited. Any such alleged reprisal or retaliation or threat thereof shall be grounds for laying a complaint under this Article and proceeding directly to a fact-finding investigation of the alleged reprisal or retaliation as described in Clause 14 of this Article.
10. Any Grievance arising from the application of this Article is limited to a complaint that the procedure(s) of this Article was (were) not followed, except for the following:
- a) a Grievance that a remedy provided by the Employer is inappropriate or inadequate; or

- 10.2 If the circumstances giving rise to a complaint under this Article independently give rise to proceedings before the HRT or to proceedings in the courts or to the laying of a criminal charge, then any action under this Article shall be suspended until such proceedings are concluded.
- 10.3 The Employer shall not be restricted in fulfilling its responsibilities under the *Human Rights Code*, other applicable legislation, or where the safety of individuals is threatened or compromised.
- 10.3.1 Where the Employer deviates from any procedure set out in this Article in order to fulfill its responsibilities under Clause 10.3, it shall notify the Association should the matter involve a Member.

Conflict of Interest

11. Any person involved in the application of any of the provisions or procedures under this Article shall, on the grounds of conflict of interest or reasonable apprehension of bias, immediately declare any such conflict of interest or bias to the parties to the complaint, to the Vice-President (Operations & Finance) or designate and to the Association. The Vice-President (Operations & Finance) or designate shall forthwith provide a replacement for the person who has made the declaration.
- 11.1 Any party to a complaint who objects to the participation of any person in the application of the provisions or procedures under this Article on the grounds of conflict of interest or reasonable apprehension of bias may inform the Vice President (Operations & Finance) or designate that he or she wishes that person to be replaced, stating his or her reasons. The Vice-President (Operations & Finance) or designate shall immediately inform the Association of any such declaration. The Vice-President (Operations & Finance) or designate shall also immediately inform the person named in the declaration, and he or she shall be given a reasonable opportunity to respond to it. Where the Vice-President (Operations & Finance) sustains the objection and appoints a replacement, she/he shall provide the Association with reasons for the replacement.

Reporting and Assessment of Incidents and Complaints of Discrimination and/or Harassment

12. Any Member who believes that he or she has been subjected to, or has witnessed, behaviour that violates this Article, should immediately report his or her concerns or the incident to the Human Rights Officer.
- 12.1 Whenever a person seeks assistance with a matter relating to Discrimination or Harassment from someone other than the Human Rights Officer, the person shall be advised to contact the Human Rights Officer. In addition, the person being asked for assistance should immediately contact the Human Rights Officer to advise the Human Rights Officer that assistance has been sought. The Human Rights Officer shall be responsible for acting on the information received in a timely manner.
- 12.2 The Human Rights Officer shall provide a confidential consultation to discuss concerns and/or incidents that may be encompassed under this Article. If the Human Rights Officer determines that the facts alleged if proven would constitute Discrimination or Harassment under this Article, the Human Rights Officer shall advise the Member that the Member can choose from the following options:
 - a) request alternate resolution;
 - b) file a complaint and request investigation; or

- c) not pursue the matter further. Such a decision does not bar the Employer from taking any action deemed necessary in relation to its obligations under the *Occupational Health and Safety Act*.

12.3 The Employer agrees that it shall take disciplinary action against those who make allegations of Discrimination and Harassment that are reckless, malicious or not in good faith.

Option A: Request for Alternate Resolution

13. Alternate resolution normally refers to options *other than* a complaint process. It is a problem-solving approach that has the goal of achieving a resolution satisfactory to all parties. Alternate resolution is normally not appropriate where one of the parties desires a formal procedure which may result in a decision imposing corrective, preventive, remedial or disciplinary consequences.

13.1 Each situation is unique and it is necessary for the Human Rights Officer to have flexibility in determining the most appropriate options to attempt to reach a resolution. In order for the alternate resolution to proceed, all parties must agree to participate in the process. Some examples of alternate resolution include:

- a) facilitated discussion;
- b) mediation; or
- c) education.

13.2 The Human Rights Officer retains the discretion to approve a request for alternate resolution where:

- a) the request was made within six (6) months of the date of the last incident;
- b) the matter is within the jurisdiction of the University, i.e., involves employees and/or students of the University; and
- c) the issues to be addressed through alternate resolution are within the scope of the Article, i.e., alleging Discrimination or Harassment.

13.3 There may arise circumstances where, in the opinion of the Human Rights Officer, alternate resolution is not a viable option. Such circumstances include, but are not limited to, situations where:

- a) there is a safety risk to either or both of the parties;
- b) there is significant power imbalance between the parties;
- c) the remedy sought by one party is of a monetary or a punitive nature; or
- d) the prospects of resolution appear to be unlikely.

- 13.3.1 If the Human Rights Officer approves a request for alternate resolution, the Human Rights Officer shall advise the relevant parties of this decision.
- 13.3.2 If the Human Rights Officer does not approve a request for alternate resolution, the Human Rights Officer shall advise the Member requesting alternate resolution of this decision in writing within ten (10) working days after that decision has been made and shall provide reasons for not considering alternate resolution to be a viable option.
- 13.4 The Human Rights Officer may, at any time, refuse to continue alternate resolution proceedings based on information or concerns related to the factors specified in Clauses 13.2 and 13.3. Where alternate resolution is terminated, the Human Rights Officer shall provide reasons for his or her decision.
- 13.5 Alternate resolution proceedings shall be completed within twenty (20) working days of receiving the request for alternate resolution. This time period may be extended upon agreement between the Human Rights Officer and relevant, involved party(ies), to a maximum of forty (40) working days.
- 13.6 If alternate resolution proceedings do not result in settlement of all issues, the Human Rights Officer shall advise all relevant, involved parties of the option to file a Complaint and Request for Investigation.
- 13.7 If a resolution consistent with the terms of this Article and any applicable legislation (e.g., the *Ontario Human Rights Code* or *Occupational Health and Safety Act*) is achieved, all parties shall sign a statement of the terms of resolution. The terms of resolution will indicate that a Member has the right to seek the advice of, or provide a copy to, the Association. A copy of the terms of resolution shall be retained in the files of the Human Rights Officer for a period of five (5) years and shall not be placed in the Member's Official File.
- 13.8 If the terms of resolution entail action by the Employer, the Employer shall agree to undertake such action by signing the written resolution. If the Employer refuses to take such action, it shall not sign the statement and shall state in writing to the parties why it refuses to do so. Such a response from the Employer can be grieved proceeding directly to Step 2 of the grievance procedure in accordance with Clause 13 of the Article *Grievance and Arbitration*.

Option B: Complaint and Request for Investigation

14. A complaint may be submitted within twelve (12) months of the latest alleged incident of Discrimination and/or Harassment directly to the AVP-HR (or designate).

The complaint shall be in writing and include:

- a) the name(s) of the Complainant(s);

- b) the name(s) of the Respondent(s);
- c) date, time and place of the incident(s);
- d) any relevant information or evidence to support the allegation including names of witnesses; and
- e) sufficient information for the Respondent(s) to be able to respond.

14.1 Following receipt of the complaint, the AVP-HR (or designate) shall determine the following:

- a) whether the complaint was received within 12 months of the latest alleged incident;
- b) whether the matter is within the jurisdiction of the University, i.e., involving employees and/or students of the University;
- c) whether the allegations are within the scope of this Article;
- d) whether the allegation contains sufficient information for the Respondent(s) to be able to respond; and
- e) which interim measures are required, if any, during the complaint and investigation process.

14.2 Where the AVP-HR, or designate, determines that the criteria in 14.1 are met, and an investigation will be undertaken, he or she shall within ten (10) working days following that determination, provide written notice to the Complainant and the Respondent that there is a complaint that will be investigated. The notice shall provide the name of the investigator or indicate that an investigator will be appointed and shall indicate that the Member may seek the advice and support of the Association.

14.2.1 If the AVP-HR or designate determines that an investigation will not be undertaken, he or she shall, within ten (10) working days following that determination, provide written notice to any Member who is a Complainant and shall provide reasons for this decision.

14.2.2 If the AVP-HR or designate cannot make a decision as to whether an investigation will be undertaken within ten (10) working days, he or she shall provide written notice to the Association that there is a complaint involving a Member or Members which may, at some point, require an investigation, together with the reasons for not being able to make a decision at that time. Any Member who is a Complainant shall also be informed that a decision concerning an investigation is under consideration. The status of the complaint shall then become an agenda item to be discussed at all bi-monthly meetings described in Clause 15.

14.3 If the AVP-HR or designate decides to begin an investigation the AVP-HR shall,

in a timely manner:

- a) appoint an internal or external Investigator, to prepare a fact finding report in which the Investigator shall review the complaint and determine whether Discrimination and/or Harassment has been established;
- b) ensure that the Investigator has relevant experience in such investigations and does not have a conflict of interest in the matter under review;
- c) inform the Association of the name of the investigator;
- d) contact the Association's Grievance Officer for consent, where an internal Investigator is proposed;
- e) advise the President of the Association, where the Employer has made the complaint.

14.4 The Employer-approved costs of the external Investigator shall be borne by the Employer.

14.5 The Respondent shall be informed by registered mail or equivalent of any and all allegations by being provided a copy of the complaint and any interim measures to be taken under 14.1 e) within ten (10) working days of the Investigator's appointment. The Respondent shall be provided the opportunity to respond in writing and/or in person to the complaint. Any written reply shall be provided to the Complainant and to the Investigator within ten (10) working days of the latest of:

- a) the receipt of the complaint; and
- b) any interview with the Investigator.

Where the Complainant(s) fail(s) to participate in an Investigation, the complaint shall be deemed withdrawn. Where a Respondent fails to participate, the Investigation may proceed in absentia, and a finding may be made against the Respondent in accordance with Clause 14.7. No Member shall be required, except as required by law, to participate as a witness in an investigation.

14.5.1 The Employer may withhold information, decide not to notify or delay notifying a Member who is the Respondent if there is believed to be a risk of harm to any person or to University property or that the investigation may otherwise be impacted.

14.5.1.1 If the decision is made to withhold information under the terms of Clause 14.5.1, the Employer shall notify the President of the Association immediately and shall further provide the President of the Association with all details as they become available.

14.6 Members and the Employer shall maintain the confidentiality of the investigative process and its findings until the imposition of discipline, if any, unless the Employer has grounds to believe that such confidentiality may put a person at risk of significant harm. In such a case, the Employer shall immediately inform the Association of its decision not to maintain confidentiality and the grounds for the decision.

14.6.1 Members contacted by the Employer during the investigation shall be informed of the confidentiality requirement under Clause 14.6.

14.7 Should the allegation of Discrimination and/or Harassment be substantiated the disciplinary processes shall be in accordance with Clauses 10.5 through 11.5 of the Article *Discipline*.

14.7.1 A Member who is a Complainant or Respondent (or the Association with the Member's consent) may access the Investigation Report in the Office of the AVP-HR. In the event an Investigation Report involving a Member as a Respondent concludes that the allegation of Harassment and/or Discrimination has been substantiated and the Report is to be used in a disciplinary proceeding, or where the Association files a grievance in respect of the investigation, a copy of the Investigation Report shall be provided to the Association, upon consent of the Member.

14.7.2 Any outcome or resolution of a matter achieved through the processes indicated in Clauses 14 through 14.5.1 above, including the complaint, any written response(s) by a Respondent, or other written records, shall remain with the complaint as it may move forward and shall be retained by the Human Rights Officer/AVP-HR.

15 The AVP-HR or designate, the Human Rights Officer, and up to two (2) representatives appointed by the Association shall meet on a bi-monthly basis and shall review the status of proceedings under this Article involving Members as Complainants or Respondents.

Retention of Files

16 All documents related to a complaint filed according to Clause 14 of this Article shall be retained in confidence for ten (10) years in the Human Rights Office. Such files in the Human Rights Office may only be accessed by the Human Rights Officer or the AVP-HR. Files will be destroyed, in a confidential manner, after the ten-year period.

16.1 Notwithstanding Clause 16, the Office of Faculty Relations may retain records relating to a complaint filed according to Clause 14 where the matter has been the subject of a proceeding under the *Discipline* article.

DURATION OF THE AGREEMENT

1. This Collective Agreement shall be in force, except where specific Articles provide otherwise, for four (4) years from July 1, 2023 until June 30, 2027.
- 1.1 Notwithstanding Clause 1, unless otherwise specified in this Collective Agreement, no provisions shall apply retroactively to the date of ratification.

EDUCATION ASSISTANCE

1. The Educational Assistance Plan encourages career development by providing financial assistance to Members who pursue additional education and qualifications.
2. All Members with Probationary or Continuing Appointment, including Members granted Education Leave, are eligible to apply for Education Assistance.
- 2.1 Education Assistance is available to those Members who have an active Appointment at the beginning and completion of the course.
- 2.1.1 Course completion date is the last day classes are held or the exam date, whichever is later.
- 2.2 The courses(s) must be related to the present work duties or anticipated career plan for the individual within the University. A course is defined as a series of academic lectures that culminates in an examination and/or grade being awarded, or a professional development opportunity that results in receipt of a formal qualification or a certificate of completion. The education must be primarily of benefit to the University as determined by the Chief Librarian or Dean.
3. Subject to Clauses 2, 2.1, 2.2, 4, 5, 8, and 9 of this Article, the Employer shall reimburse Members for the tuition fee of any course taken by the Member at The University of Western Ontario, at another accredited post-secondary educational institution, or under the auspices of a professional association, upon successful completion of the course.
4. Tuition fees eligible for payment do not include any supplementary expenses or fees, ancillary fees, program specific fees or other supplemental expenses such as books, lab fees or activity fees, etc.
5. The maximum reimbursement for any Member shall be \$4,000 per Fiscal Year.
6. Subject to Clause 5 above, the Employer shall pay in advance the tuition fees of any courses taken by a Member at The University of Western Ontario where the Member has successfully completed a course for credit at The University of Western Ontario and where the Member does not owe the University any funds in respect of Education Assistance.
7. Should a Member resign, retire or be terminated for just cause within one (1) year of the end of the course, or should the Member not successfully complete the course, the Member shall be liable for the tuition of the course. At the Employer's discretion, repayment may be made by payroll deduction.
Application for Education Assistance shall be made to the Chief Librarian or Dean on the application form provided, at least one (1) month in advance of the commencement of the course. Applications will be responded to within ten (10) working days. Approval of Education Assistance shall not be arbitrarily

withheld and any decision not to approve the application shall be accompanied by written reasons.

8. Once the course has been completed, proof of successful completion must be submitted to the Chief Librarian or Dean. Where the tuition fee has not been paid in advance, the tuition fee receipt must also be submitted for reimbursement.
9. This benefit will be treated as tax exempt under the conditions of this Article; however, the Member accepts responsibility for any subsequent adverse determination by the Canada Revenue Agency (CRA).
10. If a course is to be taken during normal working hours, the Chief Librarian or Dean shall consult with the Member's immediate supervisor regarding the Member's working schedule.
11. The Chief Librarian or Dean may request that a Member take certain courses of study or seminars which would be advantageous to both the Member and the Employer. If the Member agrees to take such a course, seminar or workshop, the Employer shall bear the full cost and the Member shall have sufficient time away from his or her responsibilities to pursue the course.

EDUCATION LEAVE

1. The purpose of an Education Leave is to expand and improve a Member's qualifications by enabling the Member to pursue studies or undertake training or other activities related to the Member's Responsibilities. Such a Leave shall be granted if the Employer determines that the Leave would be of sufficient benefit to the Member and the University, and that the Leave would not interfere with the ability of the Member's Unit to meet its operational requirements.
2. A Member with Continuing Appointment is eligible to apply for Education Leave.
3. An Education Leave shall not exceed one (1) year.
4. A Member granted an Education Leave shall be obliged to return to employment with the University for a time equal to the period of the Leave. Should a Member not satisfy this condition, the Member shall be indebted to the Employer for the sum of the salary, benefits and pension contributions paid to the Member by the Employer during the Education Leave, unless the Employer waives such obligation.
 - 4.1 If a Member becomes ill or injured such that the Education Leave cannot be completed, the Member may choose to cancel the Education Leave. In such a case, the provisions of Clause 10.3 of the Article *Income Security* shall apply, including the possible deferral of the balance of the Education Leave if more than three months are remaining.
5. With the exception of Compassionate Leave, Court Leave, Pregnancy and/or Parental/Adoption Leave and Sick Leave, at least two (2) years of full-time continuous service shall elapse between any two (2) successive Leave periods, and a Member shall not be on Leave for more than twenty-four (24) months in any seven (7) year period. At the request of the Member, these restrictions may be modified in individual cases by the Provost, on the recommendation from the Chief Librarian or Dean. Approval of any such request shall not be arbitrarily withheld.
6. A full-time Member on Education Leave shall receive 100% of salary and the Member's normal benefits shall continue, provided that the Member's income from all sources does not exceed 100% of the Member's salary.
7. A Member granted an Education Leave may request a Moving Expense Reimbursement and/or a Research Grant, in lieu of a portion of their salary, while on Education Leave in accordance with Clauses 27 through 27.4 in the Article *Compensation and Benefits*.

8. Professional Leave credit shall be earned during an Education Leave subject to the provisions of the Article *Professional Leave*.
9. A Member shall apply for Education Leave in writing to the Chief Librarian or Dean of the Member's Faculty. The application shall describe in detail the plan for, and the objectives, duration and expected benefits of the proposed Education Leave, as well as the Member's duties and provisions for evaluation during and after the Leave. A Member shall apply in writing at least six (6) months before the proposed Leave is to take effect.
10. The Chief Librarian or Dean shall consult with the Member's immediate supervisor. The Employer shall then approve or deny the application within twenty (20) working days of the application. Such approval shall not be arbitrarily withheld and any decision not to approve the application shall be accompanied by written reasons.
11. Changes to the arrangements in Clause 9 above may be made by agreement of the Member and the Employer in writing.
12. Members on Education Leave may apply for Promotion, but are not eligible for consideration for Promotion, while on Leave. The record of activity in any area of the Member's Responsibilities during the Education Leave shall be included should a participant be subsequently considered for Promotion.

ELECTED PUBLIC OFFICE LEAVE

1. Members who become candidates for full-time public office shall be granted on request a temporary Elected Public Office Leave for the duration of the election campaign. Such Elected Public Office Leave shall be paid for the duration to a maximum of twenty-five (25) days of work. Such a request must be made to the Chief Librarian or Dean as soon as the Member has decided to become a candidate. Such a request shall not be arbitrarily denied.
- 1.1 Alternatively, or in addition to the Elected Public Office Leave in Clause 1 above, a Member may request a Reduced Workload arrangement. Such a request must be made by the end of the first working day after the Member becomes a candidate, notwithstanding Clause 3.1 of the Article *Reduced Workload*. Consideration of the request shall be expedited.
- 1.2 Elected Public Office Leave days do not have to be taken consecutively or as whole days.
2. A Member campaigning for election to public office shall speak and write as a private citizen and not as a representative of the University.
3. A Member who is elected to full-time public office shall be granted Elected Public Office Leave without salary or benefits for the duration of the public office term. The Member may elect to pay the cost of benefits and/or pension contributions during the period of the Leave. During the Leave, the Employer shall not contribute to the cost of benefits and pension.
4. The Elected Public Office Leave shall end when the Member's first public office term expires or, if the Member successfully seeks subsequent terms of office, at the end of five (5) years, whichever is longer. A Member who seeks public office or who seeks to stay in public office for more than five (5) years, and who has not resigned, shall cease to be an employee of the University at the end of the fifth (5th) year in office.
5. The Member, upon both making a request to the Chief Librarian or Dean and returning to the workplace no later than two (2) weeks following the expiry of the Leave, shall be reinstated in his or her previous Appointment.
6. A Member on Elected Public Office Leave is not eligible for consideration for Promotion or Continuing Appointment. Subject to Clause 6.1 below, if a Member on a Probationary Appointment takes an Elected Public Office Leave for a period of less than one (1) month, no extension of the probationary period shall occur. Where an Elected Public Office Leave is taken for a period of one (1) month or more, the period of probation shall be extended for a period equal to that of the Elected Public Office Leave taken or eighteen (18) months, whichever is less.

- 6.1 If Elected Public Office Leave, taken by a Member on a Probationary Appointment, demonstrably and seriously interferes with the performance of duties relevant to consideration for a Continuing Appointment, the Member may apply in writing and with reasons to the Chief Librarian or Dean, within thirty (30) days of the end of the Elected Public Office Leave, requesting an extension beyond the periods set out in Clause 6 above. Such an extension shall not be arbitrarily denied.

EMERGENCY SUSPENSION

1. Notwithstanding the provisions of the Article *Discipline*, the President or designate may suspend a Member with full pay where:
 - a) the Employer has grounds to believe that the failure to take the action outlined herein would result in:
 - (i) physical harm or other significant detriment to a person(s) associated with the University; or
 - (ii) significant harm, loss or damage to University property or data or to property or data of members of the University community on the University Campus; and
 - b) the Employer has considered all reasonable alternatives to suspension.
2. Where an Emergency Suspension has taken place:
 - a) the basis of the Employer's actions shall be fully disclosed to the Member affected and the Association;
 - b) the Member affected and the Association shall be given an opportunity to address the basis for the Employer's actions, should they choose to do so, and to suggest alternatives to the suspension; and
 - c) the suspension of the Member under the provisions of this Article shall be for a period no longer than necessary to address the concern of the Employer in sub clause 1 a) above hereof.
3. Grievances under this Article shall begin at Step 2.

EMPLOYMENT EQUITY

1. The Parties endorse the principle of equity in employment. Employment Equity involves hiring the most suitably qualified candidate for any open position while ensuring that the hiring process and the qualifications required for each position are fair and equitable for all persons. The Parties agree to cooperate in the identification and removal of all barriers to the recruitment, selection, hiring, retention, and promotion of the following groups: women, Indigenous people, persons with disabilities, members of racialized groups, and persons of any sexual orientation or gender identity. Other groups as may be designated as underrepresented in federal and provincial human rights legislation or agreed to by the Parties may be included in this list.
2. The Parties agree to work towards increasing the proportion within the Bargaining Unit of members of these groups, to improve their employment status and to ensure their full participation in the University community.
3. Based on a process of voluntary self-identification, the Employer shall maintain an ongoing employee database to identify membership in the designated groups.
4. The Employer agrees to use the following search procedures to find qualified members of under-represented groups for Full-Time Appointments.
 - a) Advertisements placed in *University Affairs (UA)* and the *Canadian Association of University Teachers (CAUT) Bulletin* or their successors, and in other relevant professional journals, national newspapers, listservs and websites. Choice of paper or electronic editions will be at the discretion of the Appointments Committee.
 - b) In consultation with the Appointments Committee, the Employer, through the Office of Equity, Diversity and Inclusion, shall also develop and maintain a list of relevant contact associations representing designated groups to which notice of the advertisement shall be sent.
 - c) Advertisements shall indicate that the University is committed to employment equity and diversity and that applications are welcome, particularly from designated groups. All such advertisements shall be audited by the Office of Faculty Relations for compliance with this policy.

- d) Letters from the Chief Librarian or appropriate Dean, as applicable, to their equivalents in other Canadian universities inviting qualified women, members of racialized groups, Indigenous people and persons with disabilities and persons of any sexual orientation or gender identity to apply for advertised positions.
 - e) Other measures as authorized by the Chief Librarian or Dean or designate, in consultation with the Library Director or Head searching for candidates and the office responsible for employment equity matters in the University.
- 5. When making a recommendation for any full-time appointment to the Chief Librarian or Dean, the Appointments Committee shall make a report on the search process that shall include:
 - a) the total number of applicants and the number with appropriate professional qualifications, the numbers of male and female applicants and, where known, the same information for applicants from the other designated groups;
 - b) a ranked short-list which formally presents the qualifications of each candidate and the reasons for the ranking. This report shall also include explicit statement of the rationales for the exclusion of any qualified candidates who are known to be members of the designated groups. The Committee shall review this report before recommending any formal offer of Appointment;
 - c) where the information required in Clauses 5 a) and 5 b) of this Article is incomplete or otherwise problematic, the available information shall nevertheless be reported as fully as possible, with explanation. So as to improve the quality of this information, the Employer shall develop appropriate methods of collecting and reporting the information;
 - d) the total number of applicants who received interviews, the number of males and females who received interviews, and, where known, the same information from applicants from other designated groups; and
 - e) for an individual being recommended for a Full-Time Appointment, any information concerning their membership in any of the designated groups.

6. The criteria used to evaluate candidates for Appointment and Promotion and Continuing Appointment shall not allow for systemic discrimination against members of designated groups, or against individuals by reason of the factors listed in Clauses 2 (a) through 2 (h) of the Article *Discrimination and Harassment*.
7. The Employer shall fill and maintain the full-time position of Director Human Rights Office and provide support for that position.
8. The Employer shall give all Members chosen to serve on the Appointments Committee (including Search Committee), Library Director or Head Selection Committee, or on the Committee for Promotion and Continuing Appointment access to the current *Employment Equity Guide for Committees established under the Faculty and Librarians and Archivists Collective Agreements*, as updated June 2014, and any other relevant information about the equity context, federal and provincial legislation (including immigration statutes) and University policies. This *Employment Equity Guide* shall be made available, in electronic form, on both the University and Association websites. Members shall familiarize themselves with such information as a condition of serving on such committees. Furthermore, the Chief Librarian or Dean or designate shall ensure that committees are aware of the relevant legislation and University policies, and the Chief Librarian or Dean or designate and the Members participating in the work of the committees shall share responsibility for ensuring that the relevant legislation and University policies are followed throughout the deliberation of the committees. The committees may call upon the Human Rights Office for assistance.
9. The Chief Librarian or Dean or designate shall ensure the Appointments Committee (including Search Committee), Library Director or Head Selection Committee, and Committee for Promotion and Continuing Appointment adhere to the rules and expected practices that assure equity as articulated in the *Employment Equity Guide* referred to in Clause 8, by designating one (1) member (normally with continuing appointment) of each of these Committees as that Committee's Equity Representative. Those with this responsibility will require training as determined appropriate by the Associate Vice-President of Equity, Diversity and Inclusion (or designate).

10. The Parties agree to maintain the presently established Employment Equity Committee. This Committee shall consist of: two representatives appointed by the Association, at least one of whom shall be a member of one of the designated groups; two representatives appointed by the Employer, at least one of whom shall be a member of one of the designated groups; and the Associate Vice-President of Equity, Diversity and Inclusion (or designate), who shall be a non-voting member. A representative of the Association and a representative of the Employer shall serve as co-chairs of the Committee.
11. Before the conclusion of each Academic Year, the Employment Equity Committee shall receive data sorted by gender and by such other designated groups for which data are available, on the number of Full-Time Librarians and Archivists hired in that year. An updated report shall be sent to Senate, the Board and the Association by January 31 of the following year.
12. The Employment Equity Committee shall be advisory to the President's Standing Committee on Employment Equity, or its successor(s) and shall:
 - a) serve as a vehicle for discussions between the Parties concerning the development, implementation and monitoring of such equity programs as are or may be required by law, or by University policy and this Collective Agreement;
 - b) periodically review the criteria for the evaluation of candidates for Appointment, Promotion and Continuing Appointment, and the implementation of these criteria, to determine whether either the criteria or practices systemically discriminate against members of designated groups, or against individuals by reason of the factors listed in Clauses 2 (a) through 2 (h) of the Article *Discrimination and Harassment*;
 - c) consider, after completion of an annual statistical survey and analysis by the Office of Equity, Diversity and Inclusion and the Committee, whether or not, and to what extent, there are inequities in the representation of designated groups within the Membership of the Bargaining Unit;
 - d) consider whether or not there are other groups of persons who have a reasonable, just and demonstrable claim for consideration, in addition to the individual protections provided to them pursuant to the Article *Discrimination and Harassment*. If the Employment Equity Committee identifies such situations, it may bring forward recommendations to the Association and the Employer for consideration; and

- e) through the Joint Committee, submit recommendations to the Employer and the Association for consideration, and to the President's Standing Committee on Employment Equity, or its successor(s) for information.

ENTRY OR RETURN OF ADMINISTRATORS TO THE BARGAINING UNIT

1. An Administrator who is excluded from the Bargaining Unit by virtue of his or her office shall, upon completion of the term of office or resignation or removal therefrom, take up Membership in the Bargaining Unit as a Librarian or Archivist. This may be a position within the Unit in which he or she held a position before moving into the Administrative position, or another position within Western Libraries or The University of Western Ontario assigned at the discretion of the Provost, commensurate with the Member's qualifications and experience.
- 1.1 Where a Member with Responsibilities in Academic Activity accepts a reduction in the proportion of Academic Activity in his or her Workload to accept an Administrative position outside of the Bargaining Unit, upon return to the Bargaining Unit, the Member shall be entitled to an Alternative Workload sufficient to recover the commitment to Academic Activity that was foregone. Such an Alternative Workload arrangement shall be negotiated before acceptance of the Administrative position and shall commence immediately upon completion of the term as Administrator.
- 1.2 Where an Administrator is returning to a position in the Bargaining Unit, in allocating work in accordance with Clause 2.2 of the Article *Workload*, the Unit Members shall take into consideration the proportion of the Member's commitment and length of time needed for the Member to update Professional Practice skills and expertise in order to competently undertake his or her role.
- 1.2.1 Where a Member's Workload has been adjusted to allow updating of Professional Practice skills and expertise, all such activities toward that purpose shall be considered in the Biennial Report and Review process, in accordance with the Article *Biennial Report and Review*.

EXCHANGE LEAVE

1. An Exchange Leave is required for a Member's participation in an exchange program with another institution. In such instances, the Member is replaced by a professional librarian or archivist from the other institution. While on an Exchange Leave, a Member's distribution of Responsibilities remains the same as if the Member were not on Leave, unless arrangements have been made under the Article *Alternative Workload*.
2. Members at the Assistant Rank or above with at least two years of continuous service are eligible to apply for an Exchange Leave. Such a Leave may be granted where the Employer determines that the Leave will be of sufficient benefit to the University, and that the Leave will not interfere with the ability of the Member's Unit to meet its operational requirements.
3. An Exchange Leave shall not exceed one (1) year.
4. With the exception of Compassionate Leave, Court Leave, Pregnancy and/or Parental Adoption Leave and Sick Leave, at least two (2) years of full-time continuous service shall elapse between any two (2) successive Leave periods, and a Member shall not be on Leave for more than twenty-four (24) months in any seven (7) year period. These restrictions may be modified in individual cases by the Provost, on recommendation from the Chief Librarian or Dean, at the request of the Member. Approval of any such request shall not be arbitrarily withheld.
5. Subject to the provisions of Clause 2 of this Article, participants in the exchange program need not be from the same area of Professional Practice.
6. The salaries and benefits of the participants will be the responsibility of their respective home institutions.
7. Responsibility for removal expenses lies with the Member. A Member whose application for Exchange Leave has been approved may request to have a portion of his/her salary while on Exchange Leave paid as a Removal Expense. Insofar as the request is believed by the Employer to be in compliance with the *Income Tax Act* and Canada Revenue Agency (CRA) policy, the Employer shall agree to such a request; however, the Member accepts responsibility for any subsequent adverse judgment by CRA.
8. Professional Leave credit shall be earned during this Leave, subject to the provisions of the Article *Professional Leave*.

9. Any application for Exchange Leave shall be made by the Member to the Chief Librarian or Dean. The application shall describe in detail the duration, nature and expected benefits of the exchange, including any provisions for evaluation during and after the exchange, and shall include the *curriculum vitae* of the other participant. A Member shall apply in writing at least six (6) months before the proposed Leave is to take effect. A copy of the application shall be sent to the Member's immediate supervisor.
10. The Chief Librarian or Dean shall consult with the Member's immediate supervisor. The Provost or designate shall then approve or deny the application. Such approval shall not be arbitrarily withheld and any decision to approve or not to approve the application shall be accompanied by written reasons within twenty (20) working days of receipt of the application.
11. Members on Exchange Leave are not eligible for consideration for Promotion while on Leave. Activity in any area of the Member's Responsibilities, reported for the period of Exchange Leave, shall be included if/when a participant is subsequently considered for Promotion.
12. If a Member becomes ill or injured such that the Exchange Leave cannot be completed, the Exchange Leave for that Member may be cancelled at the Member's request and the provisions of Clause 7 and subsequent clauses of the Article *Income Security* shall apply.
- 12.1 If a Member becomes ill or injured during the first six (6) months of a twelve (12) month Leave, then the Member shall have the option of completing the Leave at a later date to be agreed upon by the Member and the Chief Librarian, Dean or designate.

FINANCIAL EMERGENCY

General

1. A state of Financial Emergency occurs when the Financial Commission referred to in this Article determines that substantial and recurring financial deficits or losses, determined or projected by generally accepted accounting principles, will persist for more than two (2) years and will threaten the continued functioning of the University.
2. No Probationary or Continuing Appointment Member shall be terminated, dismissed, suspended or otherwise penalized with respect to terms and conditions of employment as a result of a state of Financial Emergency having been declared and confirmed pursuant to the procedures described in this Article; however, Members may be laid off in accord with this Article if a state of Financial Emergency has been declared and confirmed pursuant to the procedures described in this Article. Such layoff shall be Campus-wide in accord with Clause 9 of this Article.
3. The expectation of short-term deficits is not Financial Emergency.
4. A determination of Financial Emergency pursuant to Clause 8.5 of this Article may be made only once with regard to any Fiscal Year and shall not be made more than two (2) years in advance of that Fiscal Year.
5. A state of Financial Emergency shall terminate at the end of the Fiscal Year subsequent to the Fiscal Year of its determination.
6. The costs incurred by the Financial Commission shall be paid by the Employer.

Assertion of Financial Emergency

7. When the President considers that the financial situation of the University is severe enough that a state of Financial Emergency leading to layoffs may exist, the President shall give written notice thereof to the Board of Governors and the Association. As of the date of such notice, the procedures specified in this Article shall apply: no new Members may be appointed and salary and benefit increases to Members that have been negotiated but not implemented shall be suspended.
- 7.1 Within two (2) working days of giving notice under Clause 7 above, the Employer shall forward to the Association the financial documentation upon which the President's concerns were based.

Within ten (10) working days of the notice specified in Clause 7 above, the Parties shall establish the Financial Commission described in Clause 8.1 below.

Evaluation of Financial Situation

8. The Financial Commission shall meet to consider the possible Financial Emergency as specified in the President's formal notice and whether to confirm or deny that a Financial Emergency exists.
- 8.1 The Financial Commission specified in Clause 7.2 above shall be composed of three members, one chosen by the Employer, one chosen by the Association and a Chair chosen by both the Employer and the Association. If the Parties cannot agree on the Chair, the Chief Justice of Ontario shall be asked to select the Chair.
- 8.2 The onus of proof shall be on the Employer to establish to the satisfaction of the Financial Commission that the state of Financial Emergency exists according to the assertion made in Clause 7 above and within the meaning of this Article.
- 8.3 The Financial Commission shall inquire into and answer each of the following, as well as any other matters it considers relevant:
 - a) whether the University's financial position constitutes a bona fide financial emergency such that deficits projected by generally accepted accounting principles are expected to continue for more than two (2) Fiscal Years;
 - b) whether in view of the essential functions of the University the laying-off of Members is a reasonable type of cost-saving and whether all reasonable means of achieving cost-saving in other areas of the University's expenditures have been explored and taken into account;
 - c) whether all reasonable means of improving the University's revenue position have been explored and taken into account;
 - d) whether all reasonable efforts have been made to secure further assistance from the Provincial Government; and
 - e) whether all reasonable means have been taken to reduce costs through Members' voluntary early retirement, voluntary resignation or voluntary Reduced Workload.
- 8.3.1 The Financial Commission shall have access to any University documents, data and records that it considers relevant to its inquiries.
- 8.4 The Financial Commission shall conduct its inquiries, including receiving the submissions of the Employer and the Association, within sixty (60) days of its Appointment and shall report within thirty (30) days of receiving the final submission.
- 8.5 If the Financial Commission determines that a Financial Emergency exists, its report shall specify the amount of annual reduction required in the budgetary allocation to salaries and benefits of Members over the period of Financial Emergency. The Employer may reduce the budgetary allocation for salaries and benefits of Members by laying off Members, but such reduction shall not exceed the

amount of the reduction specified by the Financial Commission.

Implementation

9. The implementation of layoffs shall be supervised by a three person subcommittee of the Joint Committee on Implementation: one chosen by the Employer, one chosen by the Association and a Chair chosen by the other two subcommittee members. The subcommittee shall verify that layoffs are consistent with the principles set out in this Clause before they are implemented.

9.1 Subject to Clause 9.2 below, Members shall be laid off across the Bargaining Unit regardless of rank, Probationary or Continuing Appointment status, length of service or performance.

9.2 The number of days of layoff shall be determined as follows:

a) a Nominal Annual Salary (NAS) shall be determined for each Member. The NAS shall be the regular annual salary on the date the Financial Emergency was verified;

b) a Standard Number of Days (SND) of layoff shall be determined. The actual number of days of layoff required of each Member shall be as follows:

(i) Members whose NAS does not exceed two-thirds of the Floor Salary for Assistant Librarians and Assistant Archivists shall not be laid-off;

(ii) Members whose NAS equals or exceeds four-thirds of the Floor Salary for Assistant Librarians and Assistant Archivists shall be required to take the Standard Number of Days of layoff, rounded down to the nearest half day;

(iii) Members whose NAS is between two-thirds and four-thirds of the Floor Salary for Assistant Librarians and Assistant Archivist shall be required to take the number of days of layoff given by the following formula:

$$\frac{\text{NAS} - (.67 \times \text{Asst. Floor}) \times \text{SND}}{.67 \times \text{Asst. Floor}}$$

rounded down to the nearest half day. (Asst. Floor is the Floor Salary for Assistant Librarians and Assistant Archivists.);

- c) Regardless of when the days of layoff are taken by Members, each Member's salary shall be temporarily reduced by an amount equal to 0.4167 percent for each day of layoff required,^{\$\$\$} and such reduction shall remain in effect during the term of the verified Financial Emergency;
 - d) During a period when Members' salaries are reduced by virtue of the imposition of layoff, all benefit plans which are salary-related, including but not limited to pensions and life insurance coverage, shall continue to be based on Members' unreduced salaries, and all applicable Employer and Member contributions to such plans shall continue to be made on the basis of unreduced salaries;
 - e) The Standard Number of Days of layoff shall be that number required to achieve the reduction in the budgetary allocation to salaries and benefits for Members specified by the Financial Commission.
- 9.3 Members shall be notified of the number of their layoff days within thirty (30) days of the date on which the subcommittee is established under Clause 9 above.
- 9.4 Members shall schedule layoff days so as to avoid interference with scheduled Responsibilities.
- 9.5 In accord with Clauses 4 and 5 of this Article, when a second or further assertion of Financial Emergency is not made, the Employer shall, at the conclusion of the period of Financial Emergency, restore all salaries to their pre-layoff level, including negotiated salary and benefit increases suspended under Clause 7 above.

Consecutive Financial Emergency

10. Should the Employer believe that declaration of a consecutive Financial Emergency is necessary to meet a continuing budgetary crisis, the President shall, within thirty (30) days after the close of the period for which the verified Financial Emergency was declared, deliver the notice specified in Clause 7 above, which shall trigger the verification process of this Article. If no such notice is given, then the provisions of this Article shall not be triggered for one (1) full Fiscal Year.
- 10.1 It is understood and agreed to by the Parties that contract negotiations may take place during an asserted and/or verified Financial Emergency by mutual consent of the Association and the Employer. The Parties agree that if the term of this Collective Agreement ends during an asserted or verified Financial Emergency, the provisions of this Collective Agreement shall remain in force until the end of such emergency, or until the Parties agree by mutual consent to undertake contract negotiations. In the event that consecutive Financial Emergencies are declared, the provisions of this contract shall remain in force until such time as a

Financial Emergency

verified Financial Emergency has passed and no further assertions of Financial Emergency are made as provided for in Clause 10 above, or until the Association and Employer agree by mutual consent to undertake contract negotiations.

\$\$\$ 0.4167% is 1/240. Assume 20 “working days” in each month.

GRIEVANCE AND ARBITRATION

General

1. The Parties acknowledge it is important to resolve disputes arising from this Agreement informally, amicably, promptly, justly, and equitably.
2. All offers of settlement shall be kept confidential and are without prejudice.
3. There shall be no reprisals of any kind taken against any Member because of the Member's participation in the Grievance and Arbitration procedure under this Agreement.
4. The Association shall have carriage of all Grievances. No Grievance may proceed to Step 1 unless it has been assumed by the Association.
5. Written communications between the Association and the Employer pursuant to this Article made by registered mail or receipted hand delivery shall be deemed to be received on the date of delivery of such communications. Written communications pursuant to this Article which are communicated electronically may be signed using the electronic signature of an authorized person and shall be deemed to be received on the date documented by a "read receipt".

Definitions

6. A Grievance is any dispute or difference between the Parties that has not been resolved informally (as described in Clause 11), arising from the application, interpretation, administration, or alleged violation of this Agreement, including any question as to whether the matter is arbitrable.
7. For the purposes of interpretation of this Article, the meaning of "circumstance" shall include the occurrence of facts which gives rise to the disputed application, interpretation, administration, or alleged violation of this Agreement, including any alleged failure to apply or administer this Agreement. To the extent that these occurring facts are part of an ongoing sequence or pattern in which these facts repeat, each day they repeat constitutes a new occurrence and thus a new circumstance.

Types of Grievance

8. An Individual Grievance is a Grievance initiated by the Association against the Employer on behalf of a single Member, who is solely affected. Only one Grievance concerning the same circumstance will be recognized. Where Grievances are similar, the Parties agree to make the necessary arrangements to hear the Grievances as a Group Grievance.

- 8.1 A Group Grievance is a Grievance involving the same issue in dispute initiated by the Association against the Employer on behalf of two or more Members, who alone are affected. The Grievance shall name only the Members who have given written consent to be named therein. The withdrawal of any Members from a Group Grievance does not thereby terminate the Grievance.
- 8.2 A Policy Grievance is a Grievance involving the interpretation, application or alleged violation of this Agreement that has implications generally for Members initiated by the Association against the Employer, or a Grievance involving the interpretation, application or alleged violation of this Agreement initiated by the Employer against the Association.
- 8.2.1 Subject to Clause 11.2.1 of this Article, the Association agrees not to bypass the Individual or Group Grievance process by filing Policy Grievances.

Application

9. The following Grievances shall be filed at Step 2 of this Article:
- a) Policy Grievances;
 - b) suspension or dismissal (as per the Article *Discipline*);
 - c) denial of Continuing Appointment (as per the Article *Promotion and Continuing Appointment*);
 - d) any Grievances for which a provision of this Agreement specifies that such Grievances shall be initiated at Step 2.

Time Limits

10. Any time limits in this Article may be extended by agreement between the Parties. If the Association fails to act within the time limits set out at any of the stages or steps of the Grievance and Arbitration procedure and has not within that period requested and been granted an extension of time from the Employer, the Grievance will be considered abandoned. If the Employer or its representative(s) fail(s) to reply to a Grievance within the time limits set out at any of the stages or steps of the Grievance or Arbitration procedure, and has not within that period requested and been granted an extension of time from the Association, the Association may submit the Grievance to the next step of the procedure.
- 10.1 One or more steps in the Grievance procedure may be omitted upon the written agreement of both Parties.

Informal Resolution

11. Except as otherwise specified in Clause 9 above, a Member or group of Members must attempt to resolve a dispute by informal discussion with the Chief Librarian or his/her/their Dean before the initiation of a formal Grievance. The Chief Librarian or Dean may appoint an Associate Chief Librarian, University Archivist or Associate Dean who is not in conflict as a designate. The Member or group of Members must contact the Office of the Chief Librarian or the Office of the Dean within one hundred and eighty (180) days of when the Member(s) knew or ought reasonably to have known of the circumstance giving rise to the dispute. A meeting shall be convened by the Chief Librarian or Dean or designate in order to deal with the matter. The Member or group of Members presenting the complaint(s) has the right to have the Association and/or an Academic Colleague present at this meeting, and to have Association representation at his/her/their request. Prior to the meeting the Chief Librarian or Dean or designate shall inform the Member or group of Members, in writing, of this right. The Association and the Employer shall have the right to have representation at any such meeting, and to that end the Chief Librarian or Dean or designate shall simultaneously inform the Association and the Office of Faculty Relations at least five (5) working days in advance of such a meeting.
- 11.1 Should the Chief Librarian or Dean or designate declare a conflict of interest, he or she shall withdraw from the proceedings. The Provost shall appoint a substitute designate.
- 11.2 If the dispute is resolved at the informal stage, the matter shall be reduced to writing by the Chief Librarian or Dean or designate within ten (10) working days of the meeting at which the complaint was discussed and the Member's or Members' signature(s) shall confirm his/her/their acceptance of the resolution, and his/her/their acknowledgment of being informed of the right to Association presence or representation at the informal discussion meeting. A copy of this document shall be forwarded to the Association and the Office of Faculty Relations.
- 11.2.1 The resolution of a complaint at the informal stage shall be binding on the signatories to the resolution. However, any resolution, withdrawal or abandonment of a complaint which has been referred to the informal stage shall be without prejudice or precedent and shall not be binding on the Parties to the Collective Agreement regarding any future similar issue unless the Parties to the Collective Agreement agree otherwise in writing. Such without prejudice or precedent resolution, withdrawal or abandonment of a complaint shall not preclude either Party from filing a Policy Grievance on the specific issue leading to the complaint. The resolution, withdrawal or abandonment of a complaint shall not form part of such a Policy Grievance, nor shall the Member or group of Members who are signatories to the resolution, withdrawal or abandonment of complaint be required to be a witness in the Policy Grievance.

- 11.3 If the Member(s) and the Chief Librarian or Dean or designate cannot resolve the dispute, the Chief Librarian or Dean or designate shall, within ten (10) working days of the informal meeting, forward in writing to the Member(s) reasons for denying the complaint. A copy of this document shall be forwarded to the Association and the Office of Faculty Relations.
- 11.4 If the Member fails to respond to any request for a meeting relative to the informal complaint within fifteen (15) working days of the delivery of notification of such a request, the Member shall be deemed to have abandoned the complaint. Notification of same shall be sent by the Chief Librarian or Dean or designate to the Association and to the Office of Faculty Relations.

Formal Grievance Process

Step 1

12. Where there is no resolution at the informal stage the Association may decide to proceed with a formal Grievance. The Grievance must be filed with the Chief Librarian or Dean or designate in writing within fifteen (15) working days of the Association's receipt of the Chief Librarian's or Dean's or designate's letter specified in Clause 11.3. The Association may also file a Grievance at any time during the informal stage. The Grievance shall set out the details of the circumstance giving rise to the Grievance, specify the Article or Articles or right(s) which has or have been allegedly breached, and identify the remedy sought.
- 12.1 The Chief Librarian or Dean or designate, who may be accompanied by another representative of the Employer, shall meet with the Member(s) and the Member's or the Members' Association representative within ten (10) working days from the receipt of the Grievance. The Member(s) also has (have) the right to be accompanied by an Academic Colleague at the meeting with the Chief Librarian or Dean or designate pertaining to the Grievance. The Chief Librarian or Dean or designate shall forward his/her written decision to the Association within ten (10) working days of such meeting. A decision to deny the Grievance shall specify reasons for denying the Grievance.
- 12.2 If the Grievance is resolved at this Step, such settlement shall be reduced to writing and countersigned by the Member(s), the Association representative and the Chief Librarian or Dean or designate within ten (10) working days after the Step 1 meeting. Any such settlement shall not set a precedent with respect to any other matter or circumstances unless the Parties to the Collective Agreement agree in writing to be bound in the future by such a settlement.

Step 2

13. Failing a resolution at Step 1, the Grievance may proceed to Step 2 within fifteen (15) working days of receipt of the decision at Step 1. A Grievance filed at Step 2 shall be submitted in writing to the Provost through the Director of Faculty Relations.
- 13.1 Grievances initiated at Step 2 under Clause 9 above must be filed within fifteen (15) working days of the date upon which the Association knew or ought reasonably to have known of the circumstance. Policy Grievances initiated by the Association in accordance with Clause 11.2.1 above must be filed within fifteen (15) working days of the date of notification to the Association of the resolution, withdrawal or abandonment of the informal complaint.
- 13.2 The Provost or designate, who may be accompanied by another representative of the Employer, shall meet with the Member(s) and up to two Association representatives within ten (10) working days from the receipt of the Grievance.
- 13.2.1 The same decision-maker shall not hear both Step 1 and Step 2 of the same Grievance.
- 13.3 The Parties agree to provide copies of all documents relevant to the subject matter of the Grievance at or before the Step 2 meeting.
- 13.4 The Provost or designate shall within ten (10) working days after the date of the last meeting under Clause 13.2 forward his/her written decision, with reasons, to the Association.

Step 3: Arbitration

14. Grievances initiated at Step 3 must be submitted to arbitration within fifteen (15) working days of the circumstance giving rise to the Grievance. If, in the course of Step 2, no settlement is reached, the Association may submit the Grievance to Arbitration within fifteen (15) working days of receipt of the Step 2 response. Submission to arbitration shall occur as follows:
- 14.1 Appointment of the Arbitrator: Except in cases where the Parties agree to the selection of an Arbitration Board, upon receipt of a notice of intention to proceed to Arbitration, the Employer and the Association shall select one Arbitrator from the list of Arbitrators in Appendix C of this Agreement. Unless otherwise agreed, Arbitrators shall be selected on a rotating basis from the list.
- 14.2 Arbitration Board: Where the Parties agree a Grievance may be submitted to an Arbitration Board. Notification shall be provided in writing to the other Party, within twenty-one (21) days of the decision to proceed to Arbitration, indicating the name of an appointee to an Arbitration Board. The third member of the Arbitration Board, who shall be the Chair of the Board, shall be selected by the

Parties from the list of Arbitrators in Appendix C of this Agreement. The decision of the majority is the decision of the Arbitration Board, but, if there is no majority, the decision of the Chair governs. Appointments from within the University community to the Arbitration Board shall be unpaid and shall be deemed equivalent to Service on other University committees.

- 14.3 Duties and Powers of the Arbitrator or Arbitration Board: An Arbitrator or an Arbitration Board, as the case may be, has the powers of an Arbitrator or an Arbitration Board under the Ontario *Labour Relations Act*, but has no jurisdiction to alter, amend, add to or subtract from this Agreement or to render a decision inconsistent with its terms.
- 14.4 Costs of Arbitration: Both Parties agree to pay 50% of the fees and expenses of the single Arbitrator. In the case of an Arbitration Board, the Parties agree to pay the fees and expenses of their respective appointees and 50% of the fees and expenses of the Chair of the Arbitration Board.

Other

15. No minor technical irregularity or error shall prevent the substance of a Grievance being heard and determined on its merits, nor shall it affect the jurisdiction of the Arbitrator.
16. Any Grievance initiated or in process between the expiry date of this Agreement and the ratification of a new Agreement between the Parties may proceed to Arbitration in accord with the terms of this Agreement.
17. In this Article, “days” means calendar days unless otherwise specified.
18. In this Article, “working days” refers to days upon which the University’s Administration Offices are open.

HEALTH AND SAFETY

1. The Employer and the Association agree that the protection of the health and safety of Members and other persons in the workplace is an important matter of mutual concern and that both the Employer and the Members have responsibilities as delineated in the *Occupational Health and Safety Act*, R.S.O. 1990, c. O.1 (hereinafter “the Act”).

Responsibilities of the Employer

2. The Employer shall comply with the provisions of the *Act*.

- 2.2 The Employer shall inform all Members and the Joint Occupational Health and Safety Committee (see Clause 4) of any standards, rules, regulations, policies or procedures established by The University of Western Ontario to protect the workplace health and safety of employees.
- 2.3 The Employer shall provide Members with access to information relevant to their workplace health and safety through a Health and Safety website. Such information shall include but not be limited to Inspection and Compliance Reports; information on hazard avoidance, specific perils, and ergonomics; reporting of health and safety concerns; Work Refusal Procedures; and links to applicable Federal, Provincial, and Municipal legislation.
- 2.3.1 Work Refusal Procedures shall be applicable to situations where employees perceive an immediate threat of violence to themselves. Any such situation shall be reported to Campus Police immediately.

Responsibilities of Members

3. Members shall work in compliance with the provisions of the *Act* and in compliance with the standards, rules, regulations, policies or procedures specified by the Employer (see Clause 2.2). They shall also insist that all persons under their supervision follow the same standards, rules, regulations, policies or procedures, and shall notify the Employer of any non-compliance.
- 3.1 Members shall follow safe working practices in carrying out their responsibilities and shall follow the standards, rules, regulations, policies or procedures regarding the use of personal protective equipment in the workplace.
- 3.2 Members shall advise their immediate supervisor of any circumstances which come to their attention that may place the health and safety of Members and/or other persons at risk in the workplace.

The Joint Occupational Health and Safety Committee

4. The Employer and the Association agree to participate in the Joint Occupational Health and Safety Committee (JOHSC) in accord with the Committee's terms of reference as determined by the Employer, the Association and other employee groups. The JOHSC shall report to the University Health and Safety Committee.
- 4.1 The Association shall have the right to appoint a total of two (2) representatives to the JOHSC, in representing all Association Bargaining Units.
- 4.2 The JOHSC shall support the health and safety measures of the Department of Occupational Health and Safety and shall draw the attention of the Vice-President, Resources and Operations to any egregious or repeated violations of the safety compliance orders. Prior to drawing the attention of the Employer to such violations, the JOHSC may invite Employer representatives, Members or other persons to appear before it to explain the lack of compliance.
- 4.3 Any member of the JOHSC may initiate formal discussion within the Committee on a matter of workplace health and safety. They may do so by writing to either of the co-chairs of the JOHSC in advance of the meeting at which the discussion is to take place or, where circumstances warrant immediate notice, by raising the concern at a meeting of the JOHSC.

Emergency Preparedness

5. The Association shall be consulted regarding any new or changed Emergency Preparedness Policy, including but not limited to Fire or Bomb Threat, which requires that Members take any action other than standard evacuation procedures. Any protocols developed shall put safety as the highest priority.

- 17.1 A Full-Time Member who is absent from work as a result of an illness or injury arising out of and in the course of their employment shall be paid their actual salary, as a Short-Term Disability benefit, by the Employer for up to the first fifteen (15) weeks of any such absence. Any benefits (not including a Non- Economic Loss Award) from the Workplace Safety and Insurance Board (WSIB) shall be paid to the Employer. Thereafter, if the Member continues to be entitled to such benefits, the Member shall receive the benefits directly from the WSIB.
- 17.2 For a disability resulting from workplace injuries or illnesses, the WSIB will pay the Member directly. The Member may also qualify for Canada Plan disability benefits. Subject to the LTD policy, in the event that disability benefits from all sources are less than 85% of the indexed net salary in effect on the first day of disability, the Member shall qualify for partial LTD from the University Group Disability Insurance program.
- 18 If a Member continues to qualify for Workplace Safety and Insurance Board benefits beyond the initial fifteen-week period then the Member's Extended Health Plan, dental care, Vision care, pension and basic life insurance benefits shall be continued and the Member shall not be required to pay the group insurance premiums, if any. The extended health, dental and Vision care eligible benefits at any point during the disability will be in accordance with the group insurance contract in effect for full-time active Members of the bargaining unit. Both Member and Employer pension contributions will be made by the Employer during the period of full disability. Should the Member return to work in a partial capacity, Clause ~~15.4~~ 16.1 of this Article shall apply for continuing pension contributions. Pension contributions shall be based on the Member's pensionable earnings in effect at the date of disability, increased annually at the rate of increase in disability benefits, in accordance with the provisions of the applicable Pension Plan.

- 19 Should a Member be working out of province for any period of six (6) months or more, they must report said absence in advance to enable the Employer to provide for continuation of WSIB benefit coverage.

Medical Documentation of Illness or Injury, and of Fitness to Work

- 20 The Employer reserves the right to require medical documentation of illness or injury and/or information relevant to the Member's ability to attend and perform work either from the Member and/or from a medical examination by the Health Care Professional(s) involved in the Member's care. The Member shall be referred to the Employee Well-being office who shall coordinate the provision of such information. The Member shall be entitled to be accompanied by a representative of the Association in any meetings with the Employee Well-being office.
- 20.1 Following a review of the information collected under Clause 20, the Employer reserves the right to require an Independent Medical Examination (IME) to be conducted by a qualified Health Care Professional who is independent of the University, without conflict of interest and acceptable to the Employer and to the Member. The Employee Well-being office shall coordinate the IME process, including, as necessary, the provision of an initial list of qualified Health Care Professionals, licensed to complete such assessments. The provider of the IME will be mutually agreed upon; if no decision is rendered within 15 working days Employee Well-being office will proceed to refer to a provider on the list.
- 20.2 Any costs associated with documentation of medical examinations required by the Employer and not otherwise covered by Government or employer health plans shall be paid by the Employer.
- 20.3 Notwithstanding any entitlement under this Article, should a Member fail or refuse to provide medical evidence requested by the Employer under Clauses 14 or 20, the Employer may deem the Member to be on sick leave and following expiry of any available STD, LTD or WSIB benefits may discontinue salary until receipt of the requested medical evidence.
- 21 Subject to any disclosure or report required by statute, nothing in Clause 20 of this Article shall require, permit or allow any disclosure of any medical information from any Health Care Professional employed by the University, or any other representative of the University, other than those results of the examination referred to which pertain to the Member's ability to carry out their Responsibilities.

Return to Work

- 22 Before a return to work following an illness- or injury-related absence of more than two (2) weeks (fourteen (14) calendar days), or where the Employer has reason to believe that the Member may be unable to return to work or that the Member may require accommodation, the Employer may require the Member to provide medical documentation as described in Clause 19.20 of this Article. This documentation shall confirm that the Member has been in the care of a Health Care Professional and that, in the opinion of the Health Care Professional,
- a) the Member is able to return to work without restrictions; or
 - b) the Member is able to return to work, with the nature and duration of any work restrictions described.
- 23 The Employer shall provide a collaborative return-to-work program for Members who are absent from the workplace as a result of illness or injury. The Association shall advise and assist Members regarding participation in this program. A Member shall participate in the program where it is appropriate to the Member's needs. The program will involve the joint efforts of the Member, a representative of the Association, the Member's Health Care Professional, the Chief Librarian or Dean or designate, and the Employee Well-being office. If the return-to-work program involves assessments of physical ability by the Employee Well-being office or an independent third party, the costs of these assessments shall be paid fully by the Employer.
- 24 In all cases the return-to-work program shall be consistent with the Parties' duty to accommodate a Member's disability, short of undue hardship, in accord with the provisions of the Ontario *Human Rights Code*, R.S.O. 1990, c. H.19.
- 25 If a Member is to return to work with restrictions, the Chief Librarian or Dean or designate shall contact the Employee Well-being office before the Member's return to work.

- 25.1 Following this contact, and normally before the Member's return to work, the Member, the Chief Librarian or Dean or designate and the Employee Well-being office shall meet to discuss any accommodations required for the Member's return to work. At the Member's discretion, he or she may be accompanied at this meeting by a representative of the Association. Any decisions or agreements resulting from this meeting shall be reduced to writing by the Employee Well-being office. This record shall specify the nature of any work restrictions, and also the nature of any accommodations to be provided. Copies shall be provided to the Chief Librarian or Dean and the Member, and the Member's immediate supervisor, if applicable.
- 25.2 The Member shall be allowed sufficient time to consult the Association.
- 25.3 If the Chief Librarian or Dean, or designate, and the Member both confirm that the arrangements for return to work are appropriate, the Chief Librarian or Dean or designate, a representative of the Employee Well-being office and the Member shall sign copies of the arrangements.
- 26 Subject to Clause 24 of this Article, any accommodation required for a Member to return to work on a full- or part-time basis, with or without restrictions, shall be provided by the Employer through the Member's Unit.

Retention of Previous Entitlements

- 27 Full-Time Members employed before October, 1969, retain the unused portion of their sick leave coverage credited to them to June 30, 1972, up to a maximum of six (6) months (twenty-six (26) weeks). If, after an absence of fifteen (15) weeks due to a non-occupational illness or injury, a Member is unable to return to full-time employment, any unused accumulated sick leave credits up to a maximum of eleven additional weeks shall be used to pay the difference between the LTD and full salary.
- 28 In the case of a Member on a Probationary Appointment, the Promotion and/or Continuing Appointment process shall be postponed where the Member has taken documented sick leaves of at least twenty-four (24) weeks in a twelve-month period. Such postponement shall be for a period equal to the length of the documented sick leaves. The letter from the Employer notifying the Member of the postponement shall advise of the postponement and state that a Member may elect early consideration in accordance with Clause 8 of the Article *Promotion and Continuing Appointment*.

- 29 Members returning from LTD shall have their salaries reinstated at a level that incorporates any negotiated increases that were implemented during the time of their leave. This shall include PLCP increases based on the assessment as described in Clause 4.5.2 in *Biennial Report and Review*.

2. Subject to the provisions of Clauses 2.1, 2.2, 3, 3.1, and 3.2, a Member who creates a copyrighted work in the course of the Member's Responsibilities shall grant the Employer a five-year non-exclusive, royalty-free, irrevocable and non-transferable licence to copy and/or use such works in other Professional Practice, Academic Activity and Service activities of the University, subject to copyright requirements of academic journals and other vehicles of scholarly publication.

This special agreement shall be in writing, shall be consistent with the provisions of Section I of this Article, and shall specify copyright ownership and the terms of any licensing arrangements under the agreement, and may require a waiver of moral rights of the Member in favour of the Employer.
- 4.1 In the early stages of the development of a commissioned work, Members shall provide the Employer with a list in writing of any copyright material to be contained therein and the names of copyright holders. The Employer shall pay any cost related to securing any necessary copyright permissions and for use of such approved copyright material. The Employer shall have the right to refuse to pursue copyright clearances which are judged to be prohibitively expensive.
- 4.1.1 If the Employer exercises the right to refuse to pursue copyright clearances at this stage, either party to the special agreement referred to in Clause 4 above may withdraw, or the parties may jointly revise the special agreement.
- 4.2 At the time of delivery of commissioned works, the Member shall warrant, in writing, to the Employer that, to the best of their knowledge, they are the holder of copyright in material contained therein not already listed pursuant to Clause 4, or shall provide the Employer with a list in writing of any other copyright material contained therein and the names of the holders of copyright in such material. - 4.4 A Member has the right to bring a representative from the Association when discussing a possible agreement with the Employer pursuant to Clauses 4 through 4.3.

General

- 5. The development of materials by a Member as part of specially assigned duties shall be governed by a special agreement between the Employer and the Member. The special agreement shall be in writing, shall describe any anticipated outcomes capable of copyright protection, and shall specify copyright ownership in such a case.
- 5.1 Members who are engaged in activities undertaken in fulfilment of their Responsibilities at locations away from the University Campus (for example, Members on Professional Leave) shall continue to be subject to the provisions of Section I of this Article.
- 5.2 On the death of a Member or former Member, any transferable interest which they had derived under this Article or under any agreement made pursuant to Section I of this Article shall pass to their estate.

Where a person authorized by the University advises a Member on the allowable use of a copyright-protected material (for example under the terms of a license or through a statutory exception), the Member shall follow that advice. When dealing with copyright laws, which may be open to interpretation and honest differences of opinion as to their applicability, Members who act honestly and in good faith in complying with copyright law and Western's guidelines while carrying out their employment responsibilities will be considered by the Employer to be compliant with the law and will be defended by the Employer in the unlikely event that they are sued as a result. The Employer may refuse to defend a Member accused of copyright infringement in the following situations:
 - a) where the alleged infringement is so blatant that it could not possibly be considered to reflect a reasonable interpretation of the law;
 - b) where the Member has deliberately continued in a course of action after being advised by the University that it considers the course of action to be a violation of copyright law;

- c) where the Member has received notice of an allegation of infringement and continues the impugned course of action without notifying and consulting with Western's Copyright Office; or
- d) where the Member is not acting in the course of their employment.

In any situation where a Member is alleged to have infringed copyright laws, the Member shall be advised of their right to seek assistance from the Association with respect to the matter.

Section II: Patents

Definitions

- 6. For the purposes of Section II of this Article, and subject to Clause 23 of this Article, *Patentable Intellectual Property* (PIP) is any outcome attributable to a Member's activity undertaken in fulfilment of the Member's Responsibilities that has the potential to be protected (by patent or other statutory means other than by copyright alone) and which the Member wishes to be protected and/or exploited for commercial gain. In this Article, the term *patent* shall apply to any such form of statutory protection.
- 6.1 Computer software developed, improved or written by a Member can be PIP if the Member wishes it to be protected and exploited for commercial gain. For the purposes of this Article, three classes of computer software PIP are recognized. These are:
 - a) computer software developed, improved or written by a Member which is an integral part of a larger item of PIP, and which is intended for use with non-computer software components. Such computer software shall be treated like all other forms of PIP for the purposes of Section II of this Article;
 - b) computer software developed, improved or written by a Member as part of duties undertaken in fulfilment of their Responsibilities, which can be protected and/or exploited for commercial gain and which is not an integral part of a larger item of PIP. Such computer software shall be designated Free Standing Computer Software Patentable Intellectual Property for the purposes of this Article, and shall be subject to the provisions of Section II of this Article; and
 - c) computer software developed, improved or written by a Member without making significant use of University resources, which can be protected and/or exploited for commercial gain, and which is not an integral part of a larger item of PIP. Such software shall be subject to the provisions of Section II of this Article.

7. For the purposes of Section II of this Article, PIP does not include any potentially protectable outcome of a Member's activity undertaken outside of the employment relationship, as long as the activity has been undertaken in accord with the provisions of Clause 9 of the Article *Conflict of Interest and Conflict of Commitment*.
8. For the purposes of Section II of this Article, Contract Arrangements are Research or other activities performed by a Member under a contractual arrangement between the Employer and an external body, where the contract yields full or partial rights of commercial use of the results of the Research or other activity to the external body.
9. For the purposes of Section II of this Article:
 - a) Net Income is Gross Income less Expenses; and
 - b) “*Intellectual Property Creator*” (IPC) is the Member(s) responsible for creating an item of PIP.
- 9.1 Expenses means all direct costs and expenses actually incurred by the Employer or the IPC(s) and paid or owed to an arms-length third party (as “*arms-length*” is used in the *Income Tax Act*), with respect to the PIP for:
 - a) obtaining and maintaining statutory protection for the PIP, including direct legal fees and filing and maintenance fees with applicable governmental and regulatory offices, and including expenses related to patent searches;
 - b) any prototype development for the PIP (including the cost of laboratory supplies and the cost, charged at standard rates, of any technicians or similar personnel engaged in such prototype development); and
 - c) exploiting the PIP for commercial gain, including travel expenses actually incurred by the IPC(s) and/or personnel of the WORLDDiscoveries® Business Development Office approved by WORLDDiscoveries® prior to incurring the expense, and other marketing expenses, freight and insurance costs incurred in transporting any goods or other material related to the PIP and any sales, use and other direct taxes and any customs duties and similar governmental charges incurred in respect of the use, sale, assignment, licensing or other disposition of the PIP and any goods and material related thereto.
- 9.1.1 Expenses shall not include any costs for time spent by WORLDDiscoveries® Business Development Office personnel, the IPC(s) or other University personnel in activities referred to in Clauses 9.1 a), b) and c) of this Article or in any other activities related to the PIP.

9.2 Gross Income means:

- a) all revenues, receipts and other consideration, whether in cash or otherwise, paid, transferred or otherwise made available to the IPC(s) or the Employer from arms-length parties provided that in this instance Gross Income shall not include receipts, contributions or entitlements arising from or attributable to sponsored research contracts referable to the IPC(s) or to the PIP for which such consideration is payable or otherwise made available; and
- b) the consideration deemed to be received pursuant to the other terms of this Article, by the IPC(s) or the Employer from non-arms-length parties (as *non- arms-length* is used in the *Income Tax Act*) from the use, sale, assignment, licensing or other disposition, in accord with this Article, of the PIP, including the shares or any options for shares as part of a spin-off company in connection with the exploitation for commercial gain of the PIP unless a different sharing arrangement has been agreed to under the provisions of Clause 12.1 below.

Determination of Income and Expenses

9.2.1 Where the Employer or the IPC(s) receive(s) consideration from the use, sale, assignment, licensing or other disposition of PIP from a non-arms-length party, the IPC(s) will be deemed to have received the greater of:

- a) the value of the consideration paid; or
- b) the fair market value which would be received for that disposition of the PIP from an arms-length third party. This value shall be established by:
 - (i) the capital raised by an initial public offering, or provided by a private investor to fund a spin-off company created to exploit the PIP for commercial gain; or
 - (ii) agreement between the Employer and the IPC(s).

9.2.2 Where the fair market value in 9.2.1 b) cannot be established through the provisions of 9.2.1 b) (i) or (ii), the Dispute Resolution process described in Clauses 27 and 28 of this Article shall be used.

9.2.3 In cases where the consideration is not payable in cash but in some other form, whichever of the Employer or the IPC(s) is entitled to receive a share of the consideration from the other(s) shall have the option of receiving:

- a) its share of the consideration in the form initially received by the Employer or the IPC(s) as the case may be; or, if the Parties agree,

- b) the value of that consideration as determined by agreement between the Employer and the IPC(s).
- 9.3 Where the Employer enters into contracts with third parties who use different definitions of Net and Gross Income, the definitions in such third party contracts will be used to determine the value of the Net Income to be distributed between the Employer and the IPC(s) under the provisions of Clauses 15 or 16 of this Article. Before the Employer enters into contracts with third parties that use different definitions of Net and Gross Income, both the Employer and the IPC(s) must have approved the use of the different definitions.
- 9.4 All determinations of what to include in the operating and capital budgets and all determinations regarding amortization of capital expenditures will accord with accepted general accounting practices. Profit, loss and carry forward determinations shall accord with accepted accounting practices.
- 9.5 Subject to the provisions of Clause 9.4 of this Article, if in any Fiscal Year Expenses exceed Gross Income, then the negative Net Income shall be carried forward as an Expense into the next Fiscal Year.
- 9.6 Subject to the provisions of Clause 9.4 of this Article, where both the Employer and (an) IPC(s) are carrying forward Expenses from previous years (for example, where either the IPC(s) or the Employer has commenced exploitation for commercial gain and has subsequently assigned responsibility for exploitation to the other Party) these shall be deducted from the Gross Incomes in the same ratio as these Expenses are to each other.

Patentable Intellectual Property Not Arising from Contract Arrangements

- 10. PIP not arising from Contract Arrangements, unless otherwise assigned, shall be owned by the IPC(s).
- 11. The Parties acknowledge that it is in the interest of the Employer and Members for PIP to be protected and/or exploited for commercial gain as quickly as possible after the creation of the PIP. Accordingly, it is in the Employer's and Members' interest for the IPC(s) to determine promptly whether they wish to protect or exploit outcomes of their activities for commercial gain. Full details of any PIP created by (an) IPC(s) shall be disclosed to the Employer in writing, on a form provided by the appropriate office of the Vice-President (Research). This disclosure shall be made to the Employer through the appropriate office of the Vice-President (Research), shall be made in a timely manner once the IPC(s) has (have) determined that they-wish to protect or exploit the outcome of their activities for commercial gain, and shall be sufficiently detailed to allow an assessment of the suitability of the PIP for protection and exploitation for commercial gain. The Employer shall not disclose to a third party any information about the PIP that would jeopardize the IPC's (IPC's) ability to protect the PIP or exploit it for commercial gain, should the IPC(s) wish or the Employer not wish to protect the PIP and/or exploit it for commercial gain. Where

- a Member is obliged to disclose details of PIP to another institution, this shall not remove the obligation to disclose to the Employer under this Clause.
12. Within four weeks of the disclosure specified in Clause 11 of this Article, the IPC(s) shall decide whether or not to assign rights for protection and/or exploitation to the Employer. During this period, the Employer shall have the opportunity to consult with the IPC(s) regarding the decision. The IPC(s) shall make every reasonable effort to participate fully in such discussions.
 - 12.1 The discussions referred to in Clause 12 of this Article shall include proposals from the Employer for any work that may be required of the IPC(s) under the provisions of Clauses 15 or 15.1 of this Article. Where the PIP may be exploited for commercial gain through a spin-off company, the discussions referred to in Clause 12 of this Article shall include proposals from the Employer concerning the share of equity in the spin-off company provided as additional compensation to the IPC and the Employer for involvement in the creation and operation of the spin-off company. Unless such proposals result in a different agreement, each Party's share shall be as determined by the operation of Clauses 9 through 9.6 above, and 15 e) below. Where there is more than one IPC associated with the PIP, the sharing of equity in such a spin-off company may reflect the status of a particular IPC as a founding inventor or the IPC's contribution to and participation in the creation of such PIP.
 13. If the IPC(s) assign(s) rights for protection and/or exploitation to the Employer, the Employer shall, within three (3) months of the assignment by the IPC(s), notify the IPC(s) whether it intends to seek protection of the PIP and/or seek to exploit it for commercial gain. This period may be extended by mutual consent of the Employer and the IPC(s).
 - 13.1 Any decisions of the Employer not to protect PIP and/or exploit it for commercial gain, or to cease to do so under the provisions of Clause 15.2, are business decisions and not based on an assessment of the academic merits associated with that PIP.
 14. During the period specified in Clause 13 of this Article, and any extension thereof, the Employer is the legal owner of the PIP and the IPC(s) shall not personally encumber the PIP nor frustrate the rights and obligations of the Employer by engaging in any contractual arrangements that pertain to commercial exploitation of the PIP with or by a third party; nor shall the IPC(s) seek to protect the PIP, nor exploit it for commercial gain, nor disclose it in any way that would jeopardize the Employer's ability to protect and/or exploit it for commercial gain, without the consent of the Employer.
 15. If the IPC(s) assign(s) rights for protection and/or exploitation to the Employer, and the Employer agrees to protect the PIP and/or exploit it for commercial gain, then:

- a) the Employer assumes the responsibility for protection and/or exploitation of the PIP. This may include, but is not limited to, application for patents or other registered statutory protection, and the negotiation of sales, assignments, licences or other dispositions of that PIP. IPC(s) shall make reasonable efforts to assist the Employer in this endeavour, and shall complete all necessary documentation (including assignments) as may be required. The Employer shall use such efforts as it believes are reasonable in the circumstances to exploit the PIP for commercial gain. All such steps shall be taken at no financial cost to the IPC(s) responsible for creation of the PIP;
- b) the IPC(s) shall not disclose or publish any details of the PIP for a period of twelve (12) months following the Employer's notification to the IPC(s) of its decision to protect the PIP and/or exploit it for commercial gain, unless such disclosure or publication has been agreed to in writing by the Employer. Such agreement shall not be unreasonably withheld, particularly when the IPC will be considered for Continuing Appointment within eighteen (18) months of the disclosure required under Clause 6 of this Article. For the purposes of determining the start of this eighteen month period, consideration for Continuing Appointment begins at the time of application of the provisions of Clauses 7, 7.1 or 8 of the Article *Promotion and Continuing Appointment*;
- c) the Employer shall provide to the IPC(s), no later than June 30 each year:
 - (i) a statement reporting action taken to protect the PIP and/or exploit it for commercial gain during the preceding Fiscal Year; and
 - (ii) a statement reporting all expenditures and income (including royalties) forming part of the calculation of Net Income for the preceding Fiscal Year, and such access as is within the Employer's control to any statements or records as may be required for the IPC(s) or delegate(s) to verify the accuracy of this statement.
- d) where the PIP has not been exploited for commercial gain through a spin- off company (for example, where the PIP has been exploited for commercial gain by licensing following protection by patent or other statutory means), the Employer shall, no later than June 30 each year, remit to the IPC(s) a sum equal to 50% of the Net Income for the previous Fiscal Year;

- e) where the PIP has been exploited for commercial gain through a spin-off company, the Employer shall remit to the IPC(s) a sum equal to 50% of the Net Income for the previous Fiscal Year as determined by Clauses 9 through 9.6 above unless a different agreement regarding share of equity in a spin-off company has been agreed to under the provisions of Clause 12.1.
- 15.1 The Employer shall seek opportunities for ongoing consultation with the IPC(s) as part of the process of determining how best to commercialize PIP created by the IPC(s). At no financial cost to the IPC(s), the IPC(s) shall provide the Employer with assistance in ensuring that written descriptions of the PIP and filings for the seeking of statutory protection are complete and accurate. The IPC(s) shall also continue to provide related know-how around the PIP that may be needed for its application, commercialization or licensing.
 - 15.2 If at any time the Employer decides not to continue to attempt to protect or exploit for commercial gain the PIP created by the IPC(s), then at the initiation of the Employer, and with the consent of the IPC(s), the Employer shall transfer the rights to the PIP and any issued or pending registration for statutory protection to the IPC(s), in which instance responsibilities of the IPC(s) concerning such commercialization shall be the same as those described in Clause 16 of this Article.
 - 15.2.1 If any IPC, after 30 days notice, does not consent to reassignment of the PIP to himself, then the Employer is free to discontinue exploitation and/or protection of the PIP with no further cost or obligation to itself.
 - 15.2.2 In the event that the Employer, as the owner of any PIP by virtue of assignment from an inventor group of IPCs, decides to discontinue exploitation and/or protection of the PIP, the Employer shall assign the PIP back to the inventor group of IPCs with no further cost or obligation to itself. Resolution of any dispute between members of the inventor group concerning the continued exploitation and/or protection of the PIP is the responsibility of the inventor group and not the Employer.
 - 15.3 If at any time the Employer is not fulfilling its responsibilities to protect and/or exploit the PIP, the IPC(s) may request that the Employer transfer the rights to the PIP, and any issued or pending registration for statutory protection, to the IPC(s). Any disputes arising from the application of this Clause shall be resolved according to the provisions of Clauses 27 and 28 of this Article.
 - 16. If the IPC(s) do(es) not assign rights for protection and/or commercialization to the Employer, or the Employer does not assume responsibility for protection and/or exploitation, or if the Employer ceases such activity under the provisions of Clause 15.2 or 15.3, the IPC(s) is(are) free to protect the PIP and/or exploit it for commercial gain independently of the Employer. In such circumstances, the IPC(s) shall:

- a) assume the responsibility for protection and/or exploitation of the PIP. This may include, but is not limited to, application for patents or other registered statutory protection, and the negotiation of sales, assignments, licences or other dispositions of that PIP. The IPC(s) shall use such efforts as they believe(s) are reasonable in the circumstances to exploit the PIP for commercial gain. All such steps shall be taken at no cost to the Employer;
 - b) provide the Employer, no later than June 30 each year:
 - (i) a statement reporting action taken to protect the PIP and/or exploit it for commercial gain;
 - (ii) a statement reporting all expenditures and income (including royalties) forming part of the calculation of Net Income for the previous Fiscal Year and such access as is within the IPC's (IPC's) control to any statements or records as may be required for the Employer to verify the accuracy of this statement; and
 - c) remit to the Employer a sum equal to 15% of the Net Income for the previous Fiscal Year, unless the PIP is Free Standing Computer Software PIP, in which case the IPC(s) shall remit to the Employer a sum equal to 7% of the Net Income for the previous Fiscal Year. In the case of computer software PIP defined under Clause 6.1 c) of this Article, the IPC(s) shall remit to the Employer a sum equal to 3% of the Net Income for the previous Fiscal Year.
- 16.1 If at any time following the periods specified in Clauses 12 and 13 of this Article, neither the Employer nor the IPC(s) choose(s) to protect and/or exploit, or continue to protect and/or exploit the PIP, then the IPC(s) shall be free to publish or disclose the details of the PIP.

Patentable Intellectual Property Arising from Contract Arrangements

- 17. No Member shall independently enter into a direct contractual relationship with a body or bodies external to the University where the contract places the Member under an obligation to generate PIP as part of their Responsibilities, and/or to generate PIP using University facilities.
- 18. The Employer may, at a Member's request, or with a Member's permission, enter into a Contract Arrangement with an external body on the Member's behalf. The terms of the Contract Arrangement shall be subject to the approval of the Member, the Employer and the external body.

- 18.1 The Contract Arrangement shall specify the extent to which the Member, the Employer, the external body, and any other participants share in the ownership of any PIP created under the Contract Arrangement, and shall specify which party(ies) shall have the right to protect the PIP and exploit it for commercial gain.
- 18.2 The Contract Arrangement shall specify any period of time that must elapse before any of the participants in the Contract Arrangement can publish or otherwise disclose any PIP created under the Contract Arrangement. Such period of time shall not exceed one hundred twenty (120) days, but may be extended once by agreement of all the parties; under no circumstances may the extension exceed one year.
- 18.3 All Contract Arrangements shall be consistent with regulations and policies promulgated by Senate or the Board of Governors at the time of ratification of this Collective Agreement.
- 18.4 In the case that the Member possesses sole ownership of the PIP and the exclusive right to protect the PIP and exploit it for commercial gain under the provisions of Clause 18.1 of this Article, Clauses 11 to 17, inclusive, of this Article shall apply.
- 18.5 In the case that the external body who is a party to the Contract Agreement possesses sole or partial ownership of the PIP and partial or exclusive right to protect the PIP and exploit it for commercial gain under the provisions of Clause 18.1 of this Article, if at any time the external body relinquishes its rights then, subject to any Employer rights specified in the Contract Agreement, ownership of the PIP shall revert to the Member and Clauses 11 to 17, inclusive, shall apply.
- 18.6 In the case that the Employer has sole ownership and the exclusive right to protect the PIP and exploit it for commercial gain under the provisions of Clause 18.1 of this Article, Clauses 18.6.1 to 18.6.7, inclusive, shall apply.
- 18.6.1 Full details of any PIP created by (an) IPC(s) shall be disclosed to the Employer in writing, on a form provided by the appropriate office of the Vice-President (Research). This disclosure shall be made to the Employer through the appropriate office of the Vice-President (Research) and shall be sufficiently detailed to allow an assessment of the suitability of the PIP for protection and exploitation for commercial gain. The Employer shall not disclose to a third party any information about the PIP that would jeopardize the IPC's (IPC's) ability to protect the PIP or exploit it for commercial gain, should the IPC wish or the Employer not wish to protect the PIP and/or exploit it for commercial gain.
- 18.6.2 The Employer shall, within four (4) months of receiving the disclosure by the IPC(s), notify the IPC(s) whether it intends to seek protection of the PIP and/or seek to exploit it for commercial gain. This period may be extended by mutual consent of the Employer and the IPC(s). During this period and any extension

thereof, the IPC(s) shall not make any disclosure that in any way would jeopardize the Employer's ability to protect and/or exploit the PIP for commercial gain, without the consent of the Employer.

18.6.3 Any decisions of the Employer not to protect PIP and/or exploit it for commercial gain, or to cease to do so under the provisions of Clause 18.6.6, are business decisions and not based on an assessment of the academic merits associated with that PIP.

18.6.4 If the Employer undertakes to protect the PIP and/or exploit it for commercial gain, then;

- a) the Employer assumes the responsibility for protection and/or exploitation of the PIP. This may include, but is not limited to, application for patents or other registered statutory protection, and the negotiation of sales, assignments, licences or other dispositions of that PIP. IPC(s) shall make reasonable efforts to assist the Employer in this endeavour, and shall complete all necessary documentation (including assignments) as may be required. The Employer shall use such efforts as it believes are reasonable in the circumstances to exploit the PIP for commercial gain. All such steps shall be taken at no financial cost to the IPC(s) responsible for creation of the PIP;
- b) the IPC(s) shall not disclose or publish any details of the PIP for a period of twelve (12) months following the Employer's notification to the IPC(s) of its decision to protect the PIP and/or exploit it for commercial gain, unless such disclosure or publication has been agreed to in writing by the Employer. Such agreement shall not be unreasonably withheld, particularly when the IPC will be considered for Continuing Appointment within eighteen (18) months of the disclosure required under Clause 18.6.1 of this Article. For the purposes of determining the start of this eighteen-month period, consideration for Continuing Appointment at the time of application of the provisions of Clauses 7, 7.1 or 8 of the Article *Promotion and Continuing Appointment*;
- c) the Employer shall provide to the IPC(s), no later than June 30 each year: (i) a statement reporting action taken to protect the PIP and/or exploit it for commercial gain during the preceding Fiscal Year; and
 - (ii) a statement reporting all expenditures and income (including royalties) forming part of the calculation of Net Income for the preceding Fiscal Year, and such access as is within the Employer's control to any statements or records as may be required for the IPC(s) or delegate(s) to verify the accuracy of this statement.

- d) where the PIP has not been exploited for commercial gain through a spin- off company (for example, where the PIP has been exploited for commercial gain by licensing following protection by patent or other statutory means), the Employer shall, no later than June 30 each year, remit to the IPC(s) a sum equal to 50% of the Net Income for the previous Fiscal Year;
 - e) where the PIP has been exploited for commercial gain through a spin-off company, the Employer shall remit to the IPC(s) a sum equal to 50% of the Net Income for the previous Fiscal Year.
- 18.6.5 The Employer shall seek opportunities for ongoing consultation with the IPC(s) as part of the process of determining how best to commercialize PIP created by the IPC(s). At no financial cost to the IPC(s), the IPC(s) shall provide the Employer with assistance in ensuring that written descriptions of the PIP and filings for the seeking of statutory protection are complete and accurate. The IPC(s) shall also continue to provide related know-how around the PIP that may be needed for its application, commercialization or licensing.
- 18.6.6 If at any time the Employer decides not to continue to attempt to protect or exploit for commercial gain the PIP created by the IPC(s), then at the initiation of the Employer, and with the consent of the IPC(s), the Employer shall transfer the rights to the PIP and any issued or pending registration for statutory protection to the IPC(s), in which instance responsibilities of the IPC(s) concerning such commercialization shall be the same as those described in Clause 11 of this Article unless the IPC chooses to publish the PIP, in which case it ceases to be PIP as defined in this Article.
- 18.6.7 If at any time the Employer is not fulfilling its responsibilities to protect and/or exploit the PIP, the IPC(s) may request that the Employer transfer the rights to the PIP, and any issued or pending registration for statutory protection, to the IPC(s), and the IPC(s) is (are) free to protect the PIP and/or exploit it for commercial gain in accord with the provisions of Clause 16 of this Article. Any disputes arising from the application of this Clause shall be resolved according to the provisions of Clauses 27 and 28 of this Article.

Patentable Intellectual Property Arising from Collaborations Outside Contract Arrangements

19. It is recognized that Members may create PIP in collaboration with other Members, or in collaboration with other members of the University community, or in collaboration with persons external to the University.

20. Any Member entering into a collaboration with other members of the University community, or with a person external to the University, where there is no Contract Arrangement governing the collaboration, shall inform their collaborators that the provisions of this Article apply to any PIP generated by the Member as part of the collaboration.
21.
 - a) Where a Member undertakes Academic Activity where it is envisaged that the creation of PIP might occur, and does so in collaboration with another Member, or with another member of the University community, or with a person external to the University, the Member shall, at the outset of the Academic Activity, establish in writing, and with the agreement of the collaborator(s), how the ownership of any PIP, and any Net Income generated therefrom, would be shared between them, taking into consideration each party's obligations to the Employer and/or others.
 - b) Where a Member undertakes Academic Activity that leads to the creation of PIP that was not envisaged, and does so in collaboration with another Member, or with another member of the University community, or with a person external to the University, the Member shall establish, in writing and with the agreement of the collaborator(s), how the ownership of the PIP, and any Net Income generated therefrom, will be shared between them, taking into consideration each party's obligations to the Employer and/or others.
22.
 - a) In cases where the IPC(s) has (have) assigned rights to protect and/or exploit PIP to the Employer, and the Employer has assumed the responsibility to do so, the Employer shall, following consultation with the collaborators, apportion the Net Income referred to in Clauses 15 d) or 10 e) between the creators of the PIP in accord with any agreement reached between the collaborators concerning the disposition of Net Income among them. Where there is a dispute between (an) IPC(s) and the Employer concerning this apportionment, the provisions of Clauses 27 and 28 of this Article shall apply.
 - b) In cases where a Member enters into a collaboration with a person external to the University where there is no Contract Arrangement governing the collaboration, Clause 11 c) shall apply if the agreement required by Clause 21 of this Article cannot be reached between the IPC and the i r collaborators and/or the employer of the collaborator(s).

General

23. The rights granted to a Member under this Article do not extend to anything created by a Member as part of specially assigned Professional Practice or Service duties that are expected to yield outcomes capable of protection (by patent or other statutory means) and/or exploitation for commercial gain. In such cases the outcomes are the property of the Employer unless alternative arrangements have been agreed to in writing between the Member and the Employer.
24. The Employer recognizes that there is a practice of exchange, hereafter referred to as Material Transfer, between Members and persons, organizations, or institutions, without material consideration, of results of research, biotechnology and genetic engineering products and other materials for non commercial research and teaching purposes. It is further recognized by both the Employer and the Association that, from time to time, there may be benefits arising from Material Transfers, usually for a consideration, between Members and companies for commercial research. All Material Transfers shall be governed by a contractual Material Transfer Agreement between the Employer and the persons, organizations, institutions or companies. The terms of the Material Transfer Agreement shall be subject to the approval of the Member, the Employer, and the persons, organizations, institutions or companies.
25. Members who are engaged in activities undertaken in fulfilment of their Responsibilities at locations away from the University Campus (for example, Members on Professional Leave) shall continue to be subject to the provisions of this Article.
26. In the application of the provisions of this Article, the Employer and Members shall comply with relevant federal and provincial statutes, and with regulations and policies promulgated by Senate or the Board of Governors which are not in conflict with this Collective Agreement, for the protection of researchers, human subjects, the health and safety of the public, and the welfare of laboratory animals.

Dispute Resolution

27. If the parties to the dispute agree, any dispute between (a) Member(s) and the Employer to which the Vice-President (Research) is not a party and which arises solely from the application of the provisions of this Article regarding calculation and distribution of Net Income, performance of responsibility for the commercialization of PIP, or from ownership of PIP shall be referred to the Vice-President (Research) or designate, who shall attempt to mediate between the parties. Such mediation may continue for a maximum of thirty (30) days after the referral of the dispute.
- 27.1 If the dispute is resolved through such mediation, the settlement shall be reduced to writing and countersigned by the Vice President (Research) and the parties within five (5) days of the resolution.
28. If any dispute between (a) Member(s) and the Employer is not resolved through the application of Clauses 27 and 27.1 of this Article, then the Employer or the Member(s) may submit the dispute to arbitration by a single arbitrator as follows:
- a) the single arbitrator shall be agreed upon by the Member(s) and the Employer within thirty (30) days of the date on which one party notifies the other that the process of arbitration under this Clause is desired. If the Member(s) and the Employer fail to agree upon a single arbitrator within the thirty-day period, then the arbitrator shall be selected by a Judge of the Ontario Court (General Division) upon application of either party. Such application shall request that the arbitrator so selected should be qualified by education and training to rule on the particular matter under dispute. The appointment of the arbitrator shall be conditional on the arbitrator's agreeing that their award shall be delivered in writing within sixty (60) days of the completion of the hearing (unless the parties agree otherwise) and that no account shall be rendered until the final award has been rendered;
 - b) the arbitration shall be held in London, Ontario;
 - c) the award rendered by the arbitrator shall be final and binding;
 - d) the arbitrator shall be empowered to determine all questions of law and fact and may grant injunctive relief, but has no jurisdiction to alter, amend, add or subtract from this Collective Agreement, or to render a decision inconsistent with its terms; and

- e) the arbitrator may determine the proportion of the fees and expenses of the arbitrator to be paid by each party to the arbitration. Failing such determination, the Employer and the Member(s) shall each pay 50% of the fees and expenses of the arbitrator. Such fees and expenses shall be Expenses as defined in Clause 9.1 of this Article. Any other expenses incurred by a party to the dispute shall be borne by that party.

Previous Arrangements

- 29. The revenue-sharing and cost-sharing provisions of this Article shall be effective on the date of ratification of this Collective Agreement and shall not be applied retroactively to PIP arrangements between Members and the Employer that were agreed to prior to this date, unless otherwise agreed to by the Member and the Employer.

JOINT COMMITTEE

1. There shall be a Joint Committee consisting of four persons representing the Employer and four Members from the Association's Bargaining Units representing the Association.
2. At least two representatives of the Employer and two representatives of the Association shall be present at any meeting of the Joint Committee.
3. Meetings of the Joint Committee shall be chaired alternately by a representative of the Employer and a representative of the Association.
4. The Committee shall meet monthly. Monthly meetings may be cancelled by mutual agreement of the Employer and the Association, and additional meetings may be held by mutual agreement of the Employer and the Association.
5. The Joint Committee shall discuss matters raised by either the Employer or the Association that relate to the administration, operation or interpretation of the UWOPA Collective Agreement(s); however, the Committee shall not discuss the specific details of any Grievance that has proceeded to Step 1 or beyond and that has not been resolved.
6. The Joint Committee shall have no power to interpret or modify the provisions of either Collective Agreement, but may recommend to the Employer and the Association changes to procedures for the application of the Collective Agreement(s), or changes to the Collective Agreement(s).
7. The Joint Committee may recommend that the Employer and the Association create Joint Subcommittees to consider specific matters.
- 7.1 The co-chairs of the Joint Committee shall receive advance notice of changes in existing practices with respect to computing and information technology where required by the Article *Implications of Technology*. Where the Joint Committee so recommends, a Joint Subcommittee may be created to consider the issues in more depth and to make recommendations to the Employer, with a copy to the Association.
8. Upon the expiry of this Collective Agreement the Joint Committee and any subcommittees shall cease to discuss and/or consider any matters that strictly relate to the administration, operation or interpretation of this Collective Agreement.

LEAVE OF ABSENCE

1. Members at the Assistant rank and above with at least two years of continuous service are eligible to apply for a Leave of Absence. The Leave shall be granted where the Employer, in consultation with the Member and the Member's immediate supervisor, determines that the Leave will not interfere with the ability of the Member's Unit to meet its operational requirements.
2. A Leave of Absence shall not normally exceed one (1) year. At the request of the Member, this restriction may be modified in individual cases by the Provost, on recommendation from the Chief Librarian or Dean. Approval of any such request shall not be arbitrarily withheld.
3. With the exception of Caregiving Leave, Compassionate Leave, Court Leave, Pregnancy and/or Parental/Adoption Leave and Sick Leave, at least two (2) years of continuous service shall elapse between any two (2) successive Leave periods, and a Member shall not be on Leave for more than twenty-four (24) months in any seven (7) year period. At the request of the Member, these restrictions may be modified in individual cases by the Provost, on recommendation from the Chief Librarian or Dean. Approval of any such request shall not be arbitrarily withheld.
4. No salary shall be received during an approved Leave of Absence.
- 4.1 Approval of a Leave of Absence shall not increase the Workload of other full- time Members in the Unit.
5. The Member may elect to pay the cost of benefits and pension contributions during the period of the Leave of Absence. During a Leave of Absence, the Employer will not contribute towards the costs of benefits, including pension.
6. Professional Leave credit shall be earned during a Leave of Absence, subject to the provisions of the Article *Professional Leave*.
7. A Member shall apply in writing at least six (6) months before the proposed Leave is to take effect to the Chief Librarian or Dean. The application shall describe in detail the purpose and duration of the Leave. In the case of unforeseen circumstances, however, a Member shall be permitted to apply for such a Leave less than six

(6) months before the desired start date, and this application shall be given consideration.
8. The application shall be approved or denied by the Chief Librarian or Dean or designate. The Chief Librarian or Dean or designate shall not arbitrarily withhold approval, and shall provide written notice of their decision, with reasons in the case of a denial, within twenty (20) working days of receipt

of the application. The written reasons shall be accompanied by a statement that the Member has the right to receive assistance and representation from the Association.

9. Members on a Leave of Absence are not eligible for consideration for Promotion during the Leave of Absence. This restriction may be modified in individual cases by the Provost, on recommendation from the Chief Librarian or Dean, at the request of the Member. Approval of any such request shall not be arbitrarily withheld.
- 9.1 In the case of a Member on a Probationary Appointment, the Promotion and/or Continuing Appointment process shall be postponed where the Member has taken an approved Leave of Absence of at least twenty-four (24) weeks in a twelve month period. Such postponement shall be for a period equal to the length of the Leave of Absence. The letter from the Employer notifying the Member of the postponement shall advise of the postponement and state that a Member may elect early consideration in accordance with Clause 8 of the Article Promotion and Continuing Appointment.
- 9.2 Any record of activity in the Member's areas of Responsibilities that is generated during the Leave period may be included when a Member is considered for Promotion and/or Continuing Appointment.
10. If a Leave of Absence for one year or more is denied, any grievance of the failure to grant the Leave shall begin at Step 2.

LIABILITY INSURANCE

1. The Employer shall provide insurance coverage in respect of the liability of Members acting within the scope of their normal course of employment, to the extent provided by the Canadian Universities Reciprocal Insurance Exchange (CURIE) policies now in force.
2. A copy of the policies of insurance, as amended or substituted from time to time, shall be provided to the Association. Members who determine that the insurance coverage provided by the Employer is not adequate to meet their individual needs shall be expected to make their own insurance arrangements.
3. Responsibility for the management of any claim covered by the Employer's insurance policies rests solely with the Insurer. Timely notice must be given to the Employer of any action or claim of which a Member has knowledge or of any occurrence or situation which a Member ought reasonably to know might give rise to any action or claim.
4. A Member who is a respondent to a formal complaint investigated or adjudicated under internal policies formally ratified by the Employer and who independently engages legal counsel to provide advice in respect of such investigation or adjudication may, if the complaint is not upheld, apply for reimbursement of legal fees so incurred. The application shall be submitted in writing to the Provost and Vice-President (Academic) and to the President of the Association. If both agree, in writing, that the application should be granted, in whole or in part, then the Employer and the Association will reimburse the Member, in the amount so agreed, in equal shares.
5. This Article and any insurance obtained pursuant to it do not apply to legal action initiated by a Member nor to any civil or criminal proceedings that might be initiated by the Employer against a Member.

LIBRARY DIRECTORS AND HEADS

1. Library Directors and Heads are positions held by Members with Continuing Appointment who carry out broad administrative and supervisory responsibilities as delegated by the Employer in accordance with the provisions of the Collective Agreement.
- 1.1 In addition, Library Directors have strategic liaison responsibilities for faculty-based libraries.

Term of Office of a Library Director or Head

2. The term of office for a Library Director or Head shall be up to five (5) years. - 3.1 Where a term of office as Library Director or Head ends, the Member shall return to a position assigned by the Chief Librarian or Dean after consultation with the Member. This may be a position within the Unit in which they held the position of Library Director or Head, or another position within the Bargaining Unit, commensurate with the Member's qualifications and experience.
- 3.1.1 An appointment of a Library Director or Head may end:
 - a) on completion of the term of office as noted in the written agreement, under Clause 11 of this Article; or

- 4.4 The Chief Librarian or Dean shall inform all Members of the names of the members of the Committee.
- 4.5 The Selection Committee shall be convened by the chair of the Committee no more than one month after the election of the members of the Committee.
- 4.6 In consideration of any review of or application for the position of Library Director or Head, should any Member of the Selection Committee have a conflict of interest as described in the Article Conflict of Interest and Conflict of Commitment, that Member shall withdraw from consideration of the relevant case or cases and shall be replaced by the alternate Member. Should the chair have a conflict of interest, the Provost shall appoint a replacement. Should the member chosen by the Chief Librarian or Dean as specified in Clause 4.1b) have a conflict of interest, the Chief Librarian or Dean shall choose a replacement.

Such applications shall be subject to availability following consideration of applications made under (a) above, as well as the restrictions of Clauses 12.3 and 12.4 below.
12. The Member's application shall be evaluated by the Chief Librarian or Dean or designate using the following criteria:

- e) the report on the previous Professional Leave, if any, provides evidence that the applicant's ability to contribute to their role will be enhanced by a Professional Leave;
- f) the Member is able to comply with the provisions of Clause 17 of this Article; and
- g) considerations following from the restrictions in Clauses 12.3 and 12.4 below, including, but not limited to, consequences to the Member that may arise from deferral, shortened period, alternate period or refusal of the Leave.

12.1 If the Chief Librarian or Dean or designate finds in the initial consideration of the application for a Professional Leave that the application may not meet the criteria listed in Clause 12 above or cannot otherwise be granted under Clause 12.3 or 12.4 below, they shall send a letter to the applicant asking for more information and/or suggesting an alternate or shortened period of leave or deferral of the leave. If, after receiving the Member's response (or no response is forthcoming within two (2) weeks of the request), the Chief Librarian or Dean or designate still finds that the application may not meet the criteria listed in Clause 12 above or cannot otherwise be granted under Clause 12.3 or 12.4 below, the Chief Librarian or Dean or designate shall provide the applicant with a letter describing the manner in which, in the Chief Librarian or Dean or designate's view, the criteria have not been met. This letter shall contain an invitation to the applicant to meet with the Chief Librarian or Dean or designate. At such a meeting, the Member may be accompanied by a representative of the Association. The meeting with the applicant will take place before the Employer makes its decision, unless the applicant declines the invitation, or fails to meet with the Chief Librarian or Dean or designate within two (2) weeks of the letter being sent.

12.2 The Chief Librarian or Dean or designate shall within thirty (30) days after the application deadlines in Clause 11.1 above recommend that the Employer approve or deny the application. Such approval shall not be arbitrarily withheld and any decision not to approve shall be accompanied by written reasons. These reasons shall include the details of any operational constraints should the denial be under the terms of Clause 12.4.

- 12.3 To ensure operational requirements are met, in any Unit of five (5) Members or fewer, no more than one (1) Member may be on a Professional Leave at any one time.
- 12.4 The Employer shall approve Professional Leave applications which meet the criteria in Clause 12 above normally to a maximum of two (2) full-time equivalent positions per year, subject to the discretion of the Chief Librarian and Dean, as applicable, to approve additional Professional Leaves that do not compromise operational requirements.
13. In the judgment of the Chief Librarian or Dean, it may be necessary for a Member to postpone or shorten their Professional Leave in order to ensure the effective functioning of the Member's Unit. If an approved Professional Leave is so postponed, the period of deferral shall, subject to the eligibility provisions of this Article, count towards eligibility to apply for a subsequent Professional Leave. If an approved Professional Leave is so shortened, the period by which the Leave is shortened shall remain as a period which may be taken in a subsequent Professional Leave.
14. A Member granted a Professional Leave may request a Moving Expense Reimbursement and/or a Research Grant, in lieu of a portion of their salary, while on Professional Leave in accordance with Clauses 27 through 27.4 in the Article *Compensation and Benefits*.
15. Upon completion of a Professional Leave, the Member shall, within three (3) months, provide the Chief Librarian or Dean with a report describing the activities undertaken during the Professional Leave and the actual and anticipated outcomes.
16. Approval of a Professional Leave shall not increase the workload of other Full-Time Members in the Unit.
17. A Member on a Professional Leave shall return to their position for a period equal to the length of the Leave. Should a Member not satisfy this condition, they will be indebted to the Employer for the sum of monies paid to them by the Employer during their Leave, unless the Employer waives such obligation.
18. Notwithstanding the provisions of Clauses 2.1, 2.2, 2.3, 4.1 and 4.2 of this Article, all Members who were employed as a Librarian or Archivist on the date of certification shall commence accrual of service for the purposes of eligibility under this Article, commencing on the date of certification.
19. If a Member has made prior agreement with the Chief Librarian or Dean to receive the same assessment as in the year prior to Professional Leave, then the Member is not required to submit an Annual Report. Such option shall be requested in the application for Professional Leave.

The Chief Librarian or Dean may add names to this list, but if they do so, the Member shall be allowed the opportunity to object in writing to the names added by the Chief Librarian or Dean on the ground of the referee's lack of expertise or because of some direct academic or personal dispute. Any such objection shall be placed in the Member's Promotion and Continuing Appointment File;
 - (iii) the list of names supplied by the Member shall include a description of the qualifications of each referee, the areas of the Member's Responsibilities on which the referee might be expected to comment, and any previous interactions with the referee that might lead to a perception of bias in the referee's assessment of the Member's performance;

The Chief Librarian or Dean may extend this period in the event that circumstances beyond a Member's control make it impossible to respond within the four (4) week period.
- 7.4 A Member shall have the right to a copy of any document in their File, including letters. However, in accord with the University's policy of maintaining confidentiality, before the Member receives a copy of such a letter, all information that would reveal the identity of the author(s) shall be removed.

The Academic Activity record normally includes invited or refereed journal publications, invited or refereed papers or conference presentations, published monographs, or other vehicles or media, as are appropriate to the Member's area of Academic Activity, as described in the Article *Responsibilities of Members*. The Academic Activity record may also include any material deemed by the Member to be relevant including non-refereed articles, unpublished documents, works in progress and creative works as described in the Articles *Responsibilities of Members* and *Biennial Report and Review*. The Committee may extend this period in the event that circumstances beyond a Member's control make it impossible to respond to the Committee within the two-week period.
- 19.1 If, after receiving additional information, the Committee is considering a negative recommendation, the Committee must request, in writing, a consultation with the candidate. Before such consultation with the Member, the Committee shall, through its chair, provide the Member with a written statement describing the Committee's reasons for considering a negative recommendation. 2. A reassigned Member's salary and benefit levels shall remain at least the same as before Reassignment.

Reassignment Process

3. Where the Employer has determined that a Member's position is to be reorganized or closed, the Employer shall communicate to all directly affected Members that they will be offered reassignment or severance by letter three (3) months in advance of the effective date of the closure or reorganization of the position. The letter shall include an invitation from the Chief Librarian or Dean to meet to discuss the reasons for the closure or reorganization and details of possibilities for Reassignment (including Unit, job description and Responsibilities), where appropriate. The letter shall also include an offer of notice and severance under Clauses 6 and 7 of this Article. At the same time, the letter will be copied to the Association.
 - 3.1 If no possibility for Reassignment exists, the Member shall be advised and shall be offered notice and severance under Clauses 6 and 7. Within ten (10) working days of the receipt of the letter referred to in Clause 3 above, the Member shall respond in writing to the Chief Librarian or Dean indicating if he or she will attend the proposed meeting. The Member also has the option of providing such a preferred ranking subsequent to the meeting. If the Member chooses to attend the meeting, it shall take place within twenty (20) working days of the Member's response.
4. At the meeting referred to in Clause 3 above, the Member and the Chief Librarian or Dean shall discuss fully the possible positions to which the Member could be reassigned and any professional development or retraining required for the

Member to assume any of those positions. The Member may propose possible positions to which they believe they could be reassigned, in addition to those proposed by the Chief Librarian or Dean. The Member may be accompanied to such meetings by a representative of the Association. Any correspondence arising from the meeting shall be copied to the Association.

- 4.2 A Member being offered reassignment shall receive support from the Employer for required retraining and/or professional development, as discussed and identified in the meeting specified in Clause 3. In the event that required professional development or retraining needs cannot be identified prior to or at the time of reassignment, this shall not preclude a Member requesting and receiving such support at a later date. Any denial shall be accompanied with reasons.
- 4.2.1 For the purposes of this Article, professional development shall be defined as the identified need of the Member to update their existing knowledge and/or skills in order to support a Member's current role or function as a result of reassignment. The cost of any required professional development shall be paid by the Employer. The Member shall be given time to complete any professional development requirements during working hours, whenever possible, with no loss of accrued vacation time. Reassignment

- 4.2.3 Where retraining is required as a result of Reassignment, the Chief Librarian or Dean and the Member shall discuss and agree upon the details of the required retraining, including additional qualifications and shall put the agreement in writing. The agreement shall include details of how success in meeting these qualifications shall be measured.
- a) The agreement may include an Alternative Workload arrangement to accommodate the Member's retraining.
 - b) Where such retraining constitutes less than 100% of Normal Workload and there is insufficient work available which the Member can perform during the period of retraining, the Member and Employer shall agree to an appropriate Reduced Workload arrangement under the Article *Reduced Workload*.
- 4.2.4 The agreement shall also include provisions for meetings to discuss and assess progress at least at the mid-point and at the end of the retraining period. Any concerns that the Member is not meeting the terms specified in the agreement shall be stated in a letter to be sent by mail to the Member within two (2) weeks of these assessments. The Member may be accompanied to such meetings by a representative of the Association. Any correspondence arising from the meeting shall be copied to the Association.
5. The Member shall notify the Chief Librarian or Dean no later than twenty (20) working days after the meeting occurring under Clause 4, or the Member's notice that he or she will not attend the meeting offered in Clause 3, whether he or she will accept the offer of Reassignment or of Severance.
- 5.1 If the Member agrees to the Reassignment with professional development, the Member and the Chief Librarian or Dean shall sign an agreement stating the terms of the Reassignment, including the provisions specified in Clause 4.2.  - 6.1 If the Member becomes eligible to retire within the notice period, they may elect to retire-during the notice period rather than receive pay in lieu of notice.
 - 6.2 The requirement for twelve (12) months' written notice, under the terms of Clause 3.2 of the Article *Retirement and Resignation*, may be waived for all eligible Members who wish to retire with Post-Retirement Benefits under Clause 6.1.
7. Members with Probationary or Continuing Appointments, who do not elect to retire, shall be offered severance pay of the greater of:
 - a) one (1) month's salary for each year of service since the Member's Appointment as a Librarian or Archivist at Western, with a minimum of three (3) months' salary and a maximum of twelve (12) months' salary; or
 - b) severance pay under the *Employment Standards Act*.

Periods of paid leave shall count as service.
- 7.1 For the purposes of Clause 7 above, the monthly salary shall be based on the Member's regular annual salary at the time the offer of notice and severance is made.
- 7.2 If, subsequent to undergoing retraining as provided for in Clause 4.2.3, a Member has not attained the competencies or qualifications necessary to fulfill the Responsibilities of the reassigned position, any notice and severance which would be payable to the Member under Clauses 6 and 7 shall be reduced by the amount paid to the Member in consideration of retraining, subject to the requirements of the *Employment Standards Act*.
8. A Member holding a Term Appointment shall be reassigned to an available position for which he or she is qualified until the end of his or her current term of Appointment. If no such position is available, or if the Member does not agree to the Reassignment, the Member shall be given twenty (20) working days' notice.
9. Termination of a Member's employment occurring through the application of the provisions of this Article does not constitute dismissal.

General

10. The Employer shall forward to the Association a copy of any correspondence related to notice and severance which is distributed to Members.
10. Any grievance arising from the application of this Article shall start at Step 2. Timelines shall commence on the day following receipt of the letter in 4.1 of this Article.

RESPONSIBILITIES OF MEMBERS

1. Responsibilities of Members derive from the academic and professional nature of their work in the Libraries, the Archives, and in the University, and from their position as members of the academic community. The Responsibilities of Members shall be a combination of:
 - a) Professional Practice;
 - b) Academic Activity; and
 - c) Service.

Professional Practice

2. Professional Practice encompasses meeting information and service needs related to the University's research and scholarship, teaching and learning, and service mandates. Professional Practice includes the development, assessment, organization, management, preservation and dissemination of information resources; and the development, promotion and delivery to the University community of information services and access, instruction, and records management services. Professional Practice may include the selection, training and/or supervision of Library or Archives staff; and the provision of advice and guidance to other University staff and professional colleagues. Professional Practice includes the right and responsibility to engage in professional activity to maintain currency in the profession. Members contribute to the development and implementation of strategic directions, priorities, policies, procedures and standards for the resources and services offered by the libraries and the archives.

This normally entails invited or refereed journal publication, invited or refereed papers or conference presentations, published monographs, or other vehicles or media, as are appropriate to the Member's area of Academic Activity.
4. Academic Activity directly related to performance in Professional Practice is encouraged. Where a Member's Academic Activity is judged by peer review to represent a development of materials or methods of an innovative sort or an academic advance, with application wider than the Member's own Professional Practice, then such work may be counted either as Professional Practice or as Academic Activity, but not both.

Service

5. Each Member shall be entitled and expected to accept an equitable share of administrative responsibilities by participating in the work of the University through membership on, for example, Library, Faculty, School, Department, Senate, Association and University committees. Where participation in such bodies is by election or appointment, a Member shall be elected or appointed only with their consent.
- 5.1 Membership on any Unit, Library, Faculty, School, Department or other committees that results from a Member's specific Professional Practice Responsibilities does not constitute Service.
6. In fulfillment of their Service responsibilities, Members are also encouraged to participate in the work of professional or scholarly associations, editorial boards, academic and professional journals,

union/labour organizations, and other service to the external community (e.g. scientific, cultural, educational, governmental and social bodies) , provided such activities are based on the Member's professional or academic expertise and do not conflict with the fulfillment of their Responsibilities with the University.

- 6.1 Publications relevant to librarianship and/or archival practice which do not fall under Clause 3.1 above shall be considered Service under Clause 6.

Specification of Responsibilities

- 7. Members shall undertake training and development as required by legislation or as required by the Employer to inform them of their work-related legal obligations and of their responsibilities under University or Senate policy. Such training and development costs will be borne by the Employer.
- 8. A Member who holds a Probationary or Continuing Appointment shall have Responsibilities in all three areas named in Clauses 2 through 6.1 above, unless there is an Alternative Workload agreement in force, pursuant to the Article Alternative Workload.
 - 8.1 Subject to Clause 8 above, the full-time commitment of each Member shall include at least 10% to Academic Activity and 5% to Service.
 - 8.2 Except as otherwise specified in this Collective Agreement, commitment to Professional Practice Responsibilities shall be greater than the combination of Academic Activity and Service.
 - 8.2.1 A Member's Professional Practice Responsibilities shall be specified in a job description which is signed by the Member and the Chief Librarian or Dean. The job descriptions of all Members shall be fully accessible to all Members. The job description for each Member shall be placed in the Member's Official File, and a copy shall be given to the Member.
 - 8.2.2 A change in an existing job description may be proposed by the Member or by the Member's supervisor or by the Chief Librarian or Dean:
 - a) any change(s) proposed by the Member's supervisor shall be documented, with reasons, in a letter which shall be sent to the Member and Chief Librarian or Dean;

- f) if the Member, the Member's supervisor or the Chief Librarian or Dean or designate do not agree on the proposed change(s), then the Member may present their concerns to the Workload Review Committee. The concerns of each party shall be heard by the Workload Review Committee, using the processes set out in the Article *Workload*. That Committee shall consider these concerns and the proposed changes, and may propose a resolution of the parties' differences. Should the Committee not choose to propose a resolution or should such attempted resolution not be acceptable to the parties, the matter may be addressed through the grievance process under Clause 6 of the Article *Workload*;
- g) at any meeting or hearing regarding a Member's job description, the Member may choose to be accompanied by an Academic Colleague or an Association representative at the Member's discretion, upon one week's notice to the Employer.

A statement will be placed on the Centre for Teaching and Learning website relevant to this provision, including a resource contact person for members to discuss particular technologies; and
- f) comply with the Canadian Copyright Act when, in the course of undertaking Responsibilities, copyright-protected materials are used. Where a person authorized by the University advises a Member on the allowable use of a copyright-protected material (for example under the terms of a license or through a statutory exception), the Member shall follow that advice. When dealing with copyright laws, which may be open to interpretation and honest differences of opinion as to their applicability, Members who act honestly and in good faith in complying with copyright law and Western's guidelines while carrying out their employment responsibilities will be considered by the Employer to be compliant with the law and will be defended by the Employer in the unlikely event that they are sued as a result. The Employer may refuse to defend a Member accused of copyright infringement in the following situations:
 - i) where the alleged infringement is so blatant that it could not possibly be considered to reflect a reasonable interpretation of the law;

- ii) where the Member has deliberately continued in a course of action after being advised by the University that it considers the course of action to be a violation of copyright law;
- iii) where the Member has deliberately continued in a course of action after being advised by the University that it considers the course of action to be a violation of copyright law;
- iv) where the Member has received notice of an allegation of infringement and continues the impugned course of action without notifying and consulting with Western's Copyright Office; or
- v) where the Member is not acting in the course of their employment.

CANADIAN LIBRARY ASSOCIATION

Position Statements

SUBJECT: Statement on Intellectual Freedom

APPROVED BY: Executive Council

DATE APPROVED: June 27, 1974; Amended November 17, 1983; and
November 18, 1985

All persons in Canada have the fundamental right, as embodied in the nation's Bill of Rights and the Canadian Charter of Rights and Freedoms, to have access to all expressions of knowledge, creativity and intellectual activity, and to express their thoughts publicly. This right to intellectual freedom, under the law, is essential to the health and development of Canadian society.

Libraries have a basic responsibility for the development and maintenance of intellectual freedom.

It is the responsibility of libraries to guarantee and facilitate access to all expressions of knowledge and intellectual activity, including those which some elements of society may consider to be unconventional, unpopular or unacceptable. To this end, libraries shall acquire and make available the widest variety of materials.

It is the responsibility of libraries to guarantee the right of free expression by making available all the library's public facilities and services to all individuals and groups who need them.

Libraries should resist all efforts to limit the exercise of these responsibilities while recognizing the right of criticism by individuals and groups.

Both employees and employers in libraries have a duty, in addition to their institutional responsibilities, to uphold these principles.
